

At StormHawks Preschool, we create a dynamic and engaging learning environment where children are encouraged to explore, imagine, and grow. Our inclusive classrooms foster a love of learning through stimulating activities that promote creativity, critical thinking, and independence.

We emphasize a balance between social-emotional development and academic growth, ensuring each child feels supported and confident. Aligned with Eastern Carver County Schools' K-12 curriculum and strategic goals, we collaborate with special education and kindergarten teams to help children transition seamlessly into their next educational journey.
