Imagine Learning and Achieve3000

Achieve3000®

If students were previously using Imagine Learning or Achieve3000 at school, they can still access these program at home by:

- Logging into CLEVER at clever.ccsd.net.
- Once in Clever they can choose the Imagine Learning or Achieve3000 icon.
- Webinars to support teachers with student use of Imagine Learning at home can be found at <https://www.imaginelearning.com/at-home-educator>.

Additional Support:

- If students need help signing into CLEVER, teachers can assist by requesting support at <https://support.ccsd.net>.
- For Imagine Learning, Troy Vistro can be reached at troy.vistro@imaginelearning.com.
- For Achieve3000, Jennifer Harlan can be reached at jennifer.harlan@achieve3000.com.

Imagine Learning Math (PK-8)
Free Access

- Imagine Math builds the aptitude to solve problems and justify reasoning to move students to comprehension.
- Spanish Support is available.
- School administrators can contact Arnie Reyes at arnie.reyes@imaginelearning.com to roster all students at your school site.

Achieve3000 Smarty Ants (PK-2)
Free Access

- Smarty Ants targets foundational literacy skills for students in prekindergarten to grade 2.
- Professional learning webinars for every teacher in this grade range are offered daily.
- Click on the following link to the Smarty Ants page for additional information and registration info.
