What's Going On @ Red Rock

From Mrs. Wong

Dear Families,

Happy Spring Break! I hope you are enjoying time off from school and time with your families. As you know, we welcomed back PK-3 grade students in the hybrid model on March 1 and we had a wonderful month of in person and distance learning. I enjoyed seeing smiling faces on campus for the first time in almost a year!

On April 6 we will provide 5 days a week, face to face, learning for all students and continue full-time distance learning for families that prefer that model, as well. The 4th and 5th grade teachers are excited to welcome back students.

I am looking forward to a great end to a crazy year! Thank you for your continued support--I appreciate it very much.

Keep In Touch

Communication with your child's teacher is more important. Please make sure you are keeping in touch with your child's teacher via email, phone, Class Dojo, or with google meet during office hours. There are many ways you can help your child engage in academic resources outside of live class lessons. Contact your child's teacher today to learn more!

Yes! You still need your Chromebook!

Students that opt to attend school in person must bring their chromebook to school each day. Please make sure you charge the chromebook each evening, so it is ready for school. We do not have enough charging stations in classrooms to charge chromebooks each day. It is important that students bring the chromebook to and from school each day to ensure they are able to participate in learning and so they are ready to transition to distance learning if that becomes necessary in the future (hopefully, not). Thank you for your help!
