School District Governance

The Pocatello/Chubbuck School District 25 Board of Trustees is the governing body of the school district. The Board's legal authority is determined by the State Constitution, statutes of the Legislature, and regulations of the State Board of Education. The Board has the authority to create rules, regulations and policies for the district. The State grants its authority to the Board of Trustees as a whole, not to the individual members. Board members are duly elected officials who serve four-year terms. The Superintendent of Schools directs the day-to-day administration of Pocatello/Chubbuck School District 25.
