

Jamestown Middle School Remote Instruction Plan

Students will access classes through canvas and access live instruction through TEAMS links provided by teachers in their canvas course. Please have your TEAMS Link posted on your home page so that it is easy to access.

JMS Student Daily Remote Schedule

9:00 – 9:25 – Social Studies Classes – Student will log into their Social Studies Canvas Course and use the link provided for their live TEAMS session. Teachers will go over their assignments and after their 25-min live session students will have opportunity to complete the packet of work for the day for Social Studies and any other assignments that the teacher requests.

10:00 – 10:25 - Science Classes – Student will log into their Science Canvas Course and use the link provided for their live TEAMS session. Teachers will go over their assignments and after their 25-min live session students will have opportunity to complete the packet of work for the day for science and any other assignments that the teacher requests.

11:00 Student Lunch Break

11:30 EC and EL Teacher Check in time: EC teachers will be available for a live check in station. They will provide a TEAMS link in their canvas page.

12:00 – 12:25 Encore Class – Student will log into their Encore Canvas Course of the day with the link provided for their live TEAMS session. Teachers will use this time as a meet and greet session for the upcoming new semester students. Use this time to go over any syllabus type content information and specific class procedures and expectations. There will be no assignments to be completed for Encore.

1:00 – 1:25 Math Classes - Students will log into their Math Canvas Course and use the link provided for their live TEAMS session. Teachers will go over their assignments and after their 25-minute live session students will have opportunity to complete the packet of work for the day for Math and any other assignments that the teacher requests.

2:00 – 2:25 Language Arts Classes - Students will log into their ELA Canvas Course and use the link provided for their live TEAMS session. Teachers will go over their assignments and after their 25-min live session students will have opportunity to complete the packet of work for the day for ELA and any other assignments that the teacher requests.
