Executive Summary

District Strategic Plan 2025

Broward County Public Schools is the sixth-largest school district in the United States and the second largest in Florida. The district serves more than 256,021 students at 231 schools and is one of the largest employers in South Florida, with 30,529 team members.

Vision: Educating today's students to succeed in tomorrow's world.

Mission: Educating all students to reach their highest potential.

Core Values: Student Focus, Teaching Excellence, Accountability, Respect, Safety

School Mission Statement

At Pembroke Lakes Elementary, our vision is to deliver a high-quality education that equips students with the skills to communicate clearly, collaborate effectively, and think critically to solve problems. We aim to empower learners today so they can become successful, lifelong learners prepared for a global society.

Our commitment is to provide a safe, supportive environment and a rigorous, personalized curriculum through outstanding teaching practices. We believe every child deserves respect and compassion, and we embrace “anywhere, any way learning” to meet students where they are. Teachers guide and support students in achieving their goals so they can reach their fullest potential. Collaboration among families, staff, and the community is essential to meeting the unique needs of all learners. At PLE, community and character form the foundation of everything we do. Character education remains a priority, reinforced through programs and activities such as Peace Week, Start with Hello, Digital Citizenship Week, Red Ribbon Week, Anti-Bullying Week, Kids of Character, Rethink ED, Disability Awareness Week, and Hour of Code, which help students learn how to treat others with kindness and respect.

We are dedicated to supporting diverse learners and exceptionalities. Students who need extra help receive targeted interventions through Response to Intervention (RtI), Progress Monitoring Plans (PMPs), small-group instruction, foundational reading classes, computer-assisted learning, and extended academic support beyond the school day. Our goal is to foster a collaborative, technology-driven environment that promotes critical thinking and communication, preparing students for success in tomorrow's world.

School Community

Pembroke Lakes Elementary serves 600 students enrolled in grades Kindergarten through Fifth Grade. The student population's ethnicity comprises 57 % Hispanic and 43 % Non-Hispanic students. Additionally, we serve a diverse population made up of 76.8 White %, 17.7 Black %, 0 Native %, 3 Asian %, 0 Pacific %, and 2.5 Multicultural % students.

Our leadership team includes Principal Marsha Wagner and Assistant Principal Kristine Knapp. Pembroke Lakes Elementary is proud to offer a variety of special programs that create meaningful opportunities for students. We are a Cambridge school and are honored to be recognized as a Microsoft Showcase School, a distinction that highlights our innovative use of technology in teaching and learning. Every student from kindergarten through fifth grade benefits from blended learning models, which personalize instruction by adjusting the pace, place, and path to meet individual needs.

To fulfill our mission and support the whole child, we focus on both academic growth and social-emotional well-being. Students can participate in a wide range of extracurricular activities, including Chorus, Debate Team, Drama Club, Game Day Club, Math Club, Pelican Pals, PLETV, Safety Patrol, Students Against Violence Everyday (SAVE) Promise Club, and Student Leadership Council. Our weekly specials—Music, Media, Physical Education, and STEAM—enrich the learning experience, while our Parent Teacher Association (PTA) brings families together through exciting events throughout the year.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

A Collection Development Plan Serves Several Important Purposes:

Statutory Compliance: A Collection Development Plan establishes the framework for adhering to the mandatory state statute, requiring each district school board to adopt procedures for developing library media center collections and to post these procedures on each school's website.

District Alignment: Aligns with Broward County Public Schools 2022-2027 Strategic Plan Goals and Guardrails.

Supporting curriculum: The plan should directly connect library materials to the school's curriculum, ensuring students access relevant study resources.

Student needs assessment: It considers students' diverse needs, including reading levels, interests, and learning styles, to select materials that cater to a wide range of abilities.

Selection criteria: The plan outlines clear criteria for choosing materials, such as quality, accuracy, relevance, and alignment with school values.

Budget management: It helps allocate library funds effectively by prioritizing purchase needs based on identified gaps in the collection.

Collection maintenance: The plan includes procedures for discarding outdated or damaged materials and replacing them with current resources.

Community engagement: It involves collaboration with students, teachers, administrators, and parents to gather input on collection needs.

A thorough analysis of the current media center collection at Pembroke Lakes Elementary School indicates that the average age of the collection is 2010 and the number of books per student is 12. The [American Library Association](#) has established a criteria for a highly effective media center that includes a ratio of 10 books available per student in the collection.

Currently, Pembroke Lakes Elementary **meets** the recommended standards for the number of books per student.

Library Program

The Pembroke Lakes Elementary Library operates on a fixed schedule, with the library media specialist teaching seven 30-minute classes daily on a four-week rotation. Our library program supports academic success by weaving Social Studies standards into lessons and guiding students through the Florida FINDS research model throughout the year.

Students in grades 2–5 collaborate on research projects highlighting the contributions of marginalized groups—including people of color, women, and individuals with disabilities—across subjects such as Mathematics, Science, Social Studies, History, and English.

To encourage independent learning, the media center offers daily open media time on a flexible schedule, giving students access to resources for research and exploration. Student presentations are showcased during morning announcements, celebrating their hard work and creativity.

Our library also promotes a love of reading through engaging programs, including: Beanstack, Read Across Broward, Book Fair, Family Reading Night, BCAMS Bookmark

Contest, Sunshine State Young Reader Celebration, Book Bingo Literacy Week, and Read for the Record.

Scope of the Collection

At the Pembroke Lakes Elementary School Media Center, we are committed to providing a diverse and relevant collection that supports the educational needs of our scholars. Our collection includes a wide range of formats, carefully curated to enhance learning experiences. Here's what our collection includes and does not include:

- Print Materials:**
 - Books:** We maintain an extensive collection of fiction, non-fiction, and reference books. These cover various genres, subjects, and reading levels.
 - Graphic Novels:** These visual narratives encourage literacy and appeal to a broad audience.
 - Picture Books:** Essential for early literacy development, picture books are available for our younger scholars.
 - Reference Materials:** Encyclopedias, dictionaries, and atlases are accessible for research purposes.
- Digital Resources:**
 - Online Databases:** We provide access to reputable databases for scholarly research. These are provided at the district level.
 - E-books:** Our digital library offers a selection of e-books compatible with various devices.
- Hardware and Software:**
 - Computers:** Our school provides laptop computers equipped with internet access for research and learning.
 - Interactive Whiteboards:** These enhance collaborative learning during library sessions.
 - Headphones:** Available for listening to multimedia resources.
- Addressing Our Hispanic Student Population:** Given that our Hispanic student population is at 49%, we have proactively purchased books in Spanish and bilingual materials. These cater to cultural diversity and language needs.
 - o We celebrate Hispanic heritage through literature,

ensuring representation and fostering pride. 5. Florida Best Standards and Anchor Texts: o Our collection aligns with the new Florida Best Standards, emphasizing critical thinking, creativity, and collaboration. We have identified anchor texts that serve as foundational resources for various subjects, supporting classroom instruction. In summary, the Pembroke Lakes Elementary School Media Center strives to create an inclusive, dynamic collection that empowers scholars, celebrates diversity, and fosters a love for lifelong learning.

The district provides online resources to ensure equitable access to information for teaching and learning to improve student performance and achievement. Students and teachers can use Clever or Canvas to access age-appropriate materials that support educational and social-emotional needs through the following online resources: Follett Destiny Online Library Catalog, Gale Online Databases and eBooks, (PebbleGo Next and National Geographic Kids for elementary only) Beanstack, and Sora by Overdrive.

School media centers provide access to library media materials that eliminate educational barriers based on gender, race/ethnicity, national origin, color, religion, disability, age, sexual orientation, gender identity, expression, or other protected group status and that are free of bias, stereotypes, distortions, and prejudices. This includes the ability to obtain information in a variety of formats -electronic as well as print, without fear of censorship or reprisal.

Collection Development

Collection Development is the process of providing quality materials and equipment for the library media center. The goal of collection development is to ensure the collection has information sources in adequate quantity and variety to support student's academic and personal interest needs. The media specialist is charged with leading this process with the input of teachers, students, and parents. Resources are selected according to principles of intellectual freedom and provide all learners with access to information representing diverse points of view.

Selection and Evaluation Criteria (Drawn from BCPS Policy 4120)

Selection of Materials

Funded by the state, district, and school, the media collection will contain a wide range of appropriate materials on varying levels of difficulty in various existing and emerging formats. It will focus on materials that address different learning styles and levels.

Responsibility

The School Board of Broward County is legally responsible for all matters relating to the operation of the Broward County Schools. The professionally trained media specialist is

responsible for coordinating the selection of instructional materials for the School Media Center, consulting with the principal, teachers, and students.

***In the event there is not a school library media specialist,** the Principal and/or Administrative Designee will assume the responsibility for identifying and selecting an instructional staff member(s) to engage in the selection process to ensure materials support the needs of the school community.

NOTE: Clerical personnel should NOT be responsible for library material collection development and/or resource management and selection of materials.

Criteria for Selection of Print and Non-Print Materials

1. Materials are selected to support the mission of Pembroke Lakes Elementary School.
2. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users.
3. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of the students.
4. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make informed choices in their lives.

In keeping with the **Library Bill of Rights**, materials will be considered based on the following:

- Needs of the curriculum, learning/teaching styles of students, faculty, and staff
- Possible use of material (including small or large group instruction, in-depth study)
- Level of physical, artistic, and literary quality
- Representation of multiple viewpoints
- Treatment of subject and lack of cultural bias
- Accuracy and currency of information
- Scope of coverage
- Support of inquiry and critical thinking skills
- Relationship of the material to the overall collection
- Cost, packaging, and documentation

Selection Tools

The following professional resources are available to assist the media specialist in the selection process. However, selection is not limited to the use of these tools.

Follett Titlewave: Titlewave is a collection development and curriculum support tool for school libraries, librarians, and educators, featuring professionally curated content from Follett library services and support tools that help you find the most relevant materials.

Mackin: Mackin uses highly acclaimed review sources (AudioFile, Booklist, Horn Book Magazine, Kirkus Reviews, Library Media Connection, Publishers Weekly, and School Library Journal). It places them in one convenient location to make the best selections for school libraries and students.

Periodicals: School Library Journal, Kirkus Reviews, Booklist, Horn Book, Library Media Connection, Journal of Adolescent and Adult Literacy, Young Adult Library Services, Knowledge Quest.

Books: Children's & YA Book Lists: Best Books, Best Books for Young Adult Readers; Books for You: An Annotated Booklist for Senior High Students; Outstanding Books for the College Bound: Choices for a Generation; and Senior High School Library Catalog.

Note: Common Sense Media, Amazon, Goodreads, The Manga Critic and Reviews from paid reviewing sources **may be used** in conjunction with professional reviewing sources.

Gifts and Donations

Any gifted or donated items must meet the same selection criteria as all other materials—the criteria listed in Florida Statute 1006.28 and Broward County School Board Policy 4120.

Collection Maintenance

Removing materials from a library collection that are no longer educationally appropriate is as an equally important process as selecting new items of high quality. The library media specialist and/or instructional staff should have an ongoing process to evaluate the library media collection and to keep the collection relevant to the changing needs of the curriculum, personal interests, and needs of students. Evaluation of items under consideration for removal from the Library Media Center should be based on criteria related to the educational value of the resources. The removal (weeding) of library materials from the collection is the responsibility of a skilled professional library media specialist. Weeded items should not be disposed of or discarded at the school site. Weeded items should be boxed and identified as DISCARDED or WITHDRAWN and scheduled for pick up by Procurement and Warehousing Services by completing the enclosed Warehouse Assistance Request Form.

Reconsideration of Materials

Inquiries regarding the appropriateness of particular library and supplemental instructional materials are a normal part of the process of providing a wide variety of resources for student use.

Opt-Out Form

Parents may submit their request to limit their student's access to materials in the school or classroom library by submitting a completed Opt-Out Form to the school principal.

Procedures for Objections to Library Materials and Reading Lists

Superintendent Review Committee

1. The School Board shall form a Superintendent Review Committee (SRC) to review objections to library materials. The SRC must have a minimum of five members but may have as many additional members as the Superintendent or his/her designee appoints based on need.
2. Any committees convened for the purpose of resolving an objection by a parent or resident to specific materials must include parents of students who will have access to such material.
3. The membership of the review committee should reflect the broad racial, ethnic, socioeconomic, and cultural diversity of Broward County Public Schools as well as individual(s) with noted or reasonable subject matter expertise.

Phase 1: Complete Objection to Library/Instructional Materials Form

- a. A parent or resident of Broward County who wishes to object to materials used within the School Board of Broward County Public Schools must complete the "Objection to Library/Instructional Materials Form," located on the school's Library Media website. The objection shall include the following information:
- b. Parent or resident of Broward County must specify the text within the material he/she believes is out of compliance with the requirements of Section 1006.28(2)(a)2.a. or b., Florida Statutes, and the nature of the alleged noncompliance.

Phase 2: Notifications

- a. Upon receipt of the completed "Objection to Library/Instructional Materials" form, notifications will be sent to the principal where the challenge originates as well as the Innovative Learning Department staff, school board members, and superintendent.
- b. Any item subject to an objection on the basis of sub sub-subparagraph b. (I) or sub-sub-subparagraph b.(II) must be removed within 5 school days of receipt Page 9 of 10 of the objection and remain unavailable to students of that school until the objection is resolved.

Phase 3: Superintendent's Review Committee Review

- a. The Innovative Learning Department Director shall convene the SRC to review the material.
- b. SRC will utilize an approved review rubric aligned to School Board policies and state statutes approved by the Superintendent.

Phase 4: SRC's Recommendation to the Superintendent

- a. A decision will be rendered within ninety (90) days after receipt of the objection.
- b. Committee will submit their recommendation to the School Board of Broward County, the Superintendent, and the parent or resident of Broward County.
 - i. allows the challenged material to maintain its current status;
 - ii. leave the challenged material in the classroom or school media center, but allow students to use alternate materials approved by school personnel who require the use of the disputed items;
 - iii. limit the educational use of the challenged material;
 - iv. transfer the challenged material to a higher-level school (e. g. elementary to a middle school); and/or
 - v. remove the challenged material from the school environment.

Phase 5: Appeal

- a. If a parent or resident of Broward County disagrees with the determination made by the SRC, he/she may request inclusion on the School Board agenda.
- b. If they disagree with the School Board's decision on the objection to the use of a specific material, a parent or resident of Broward County may request from the Commissioner of Education appointment of a special magistrate who is a member of the Florida Bar in good standing and who has at least 5 years' experience in administrative law to render a recommended decision.

The analysis of the collection also revealed the following areas of **strengths** and **concerns**:

Strengths ● Average age is where it needs to be for the school year. ● Items per student is almost at goal of 10 per student. ● The aged titles are less than 50% ● The general fiction average age is 2012. Focus Areas ● More Easy Readers need to be purchased. ● More Nonfiction Titles need to be added so that the collection is 50% Fiction and 50% Nonfiction. ● General Fiction titles need to be weeded so that the collection is 50% Fiction and 50% Nonfiction. ● Science section needs more weeding.

Strengths

- The average age of the collection is within the limits for this school year.
- Items per student is above the goal
- Aged titles are at 41%
- The average age of our general fiction collection is 2015

Focus Areas

- Complete update of non-fiction section by purchasing more non-fiction for both primary and intermediate levels
- Continue to weed general fiction section to bring collection closer to 50% fiction and non-fiction
- Order replacements for most checked out general fiction books that are damaged beyond repair
- The science section needs more weeding.
- Purchase more easy readers.

Strategic Focus

This page lists the priorities for weeding and purchasing for each school year and includes the actions, updates, and outcomes. This is subject to change due to funding and time constraints.

School Year	Strategic Focus
<p>Year 1 Current Year</p>	<p>Purchase nonfiction titles for primary and intermediate levels Purchase easy readers Weed science and other non-fiction areas Weed general fiction</p>
<p>Year 2</p>	<p>Purchase / replace general fiction favorites Purchase more nonfiction titles if we still have not achieved 50% of our collection Weed general fiction Weed easy readers</p>
<p>Year 3</p>	<p>Purchase professional titles Build out maker space once collection is updated Weed damaged and outdated titles in both general fiction and nonfiction sections to main 50-50 ratio</p>

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

Although the Articles of the Library Bill of Rights are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices. See the documents designated by the Intellectual Freedom Committee as Interpretations of the Library Bill of Rights.
