### Early College Credit: Dual Enrollment & Concurrent Enrollment

**Dual Enrollment:** Dual enrollment allows high school students to take college classes. They earn high school credit and college credit at the same time. Cost is free!

Classes that are offered at MDHS:

- PH 100 Introduction to Health Care Careers (Fall)
- SOCSC 101 Intro to Social Justice (Fall)
- ENG 131 Technology & Society (Spring)
- HOSP 100 Introduction to Hospitality (Spring)
- PH 130 Introduction to Community & Public Health (Spring)
- SOCIO 120 Introduction to Sociology (Spring)

### CONCURRENT ENROLLMENT AT DVC

#### Get a Head Start on College!

- ✓ Earn college credit before graduating high school
- ✓ Save time & money on your college degree
- ✓ Explore potential majors & career interests
- ✓ Experience college-level coursework

Register for Diablo Valley College (DVC) courses and earn college credit—while still in high school!

#### Who is Eligible?

Any high school student (including homeschooled students) can participate, with approval from their school.

*Note: This is not part of a CCAP dual enrollment program. Students enroll independently and can take classes that work with their schedule and goals.*

#### How Many Classes Can I Take?

High school students may take up to 11 units per semester.

#### What Does It Cost?

California high school students do not pay tuition!

#### You'll Only Need to Pay:

- Student union and representation fees
- Any required textbooks or materials

#### Will the Classes Be on My Transcript?

Yes! All courses taken through concurrent enrollment appear on your official DVC transcript.

Check with your high school about whether they'll also add it to your high school transcript.

#### Which Classes Should I Take?

Please consult your high school counselor to find the best classes for your goals and academic plan.

**Request Primary** Request Alternate

If you would like to put a "back up" or alternate course request in, follow the same steps to find the course name and select "Request Alternate" when the pop-up appears.

You would do this to tell us what class you would like to take in the event there is a conflict in your schedule and we cannot get you in to your primary class

A large black outline arrow pointing upwards from the bottom towards the "Request Alternate" button in the pop-up window.

**\*Select your alternate classes aka “backups”**

The screenshot displays a user interface for selecting courses. At the top, a blue information box states: "The school allows a maximum of 6 primary course requests". Below this, a table lists primary courses under the heading "Subject Area" and "Alternate Requests".

Subject Area	Alternate Requests
Courses	Video (009099) <span>Manage</span>
	Aquatic Studies (002050) <span>Manage</span>
	Spanish IB (005725) <span>Manage</span>
	Band/Concert (004425) <span>Manage</span>

Below the table, a blue bar contains the text "Alternate Course Requests" and a "Priority Sort" dropdown menu. Another blue information box below that states: "The school allows a maximum of 4 alternate course requests".

Art I (004125)
Drama I (000510)
Computers I (006810)

Once classes are chosen then student must "MANAGE" which alternate choices should potentially replace their primary choices if not available. The student must click on the "MANAGE" button and associate/link the alternate choices to the primary choices.

**\*Select your alternate classes aka “backups”**

Associate?	Course
<input checked="" type="checkbox"/>	Speech I (0341)
<input checked="" type="checkbox"/>	Psychology Cp (0708)
<input checked="" type="checkbox"/>	Resource (0912)

Save Cancel

Once the student clicks on the "MANAGE" button then the following window will pop up. Click on which course or courses they would like to link the primary choice to be replaced potentially by an associated secondary choice.
