RE: Notice of Custodial Rate Adjustment for Gull Lake Community Schools Facility Rentals

Dear Current or Former Facility Renters,

This letter serves as formal notification of an adjustment to the hourly custodial service rate applicable to school district facility rentals.

Effective **Monday, August 31, 2026**, the custodial service rate will increase from **\$45.00 per hour** to **\$50.00 per hour**. This adjustment is necessary to address increased labor and operational costs and to ensure the continued provision of safe, clean, and well-maintained facilities for all users.

All custodial services required in connection with school district facility rentals on or after the effective date will be billed at the revised hourly rate. This change does not modify existing facility use agreements, rental terms, or district policies, except as they pertain to custodial service charges.

If you have any questions regarding this rate adjustment or its impact on your facility rental, please contact Deanne Austin, Maintenance/HR Office Assistant at 269-548-3417 or daustin@gulllakecs.org

Thank you for your cooperation and continued use of school district facilities.

Sincerely,

A handwritten signature in black ink that reads 'Deanne Austin'. The signature is written in a cursive, flowing style.

Deanne Austin
Maintenance/HR Office Assistant
