

VOLUSIA EDEP
EXTENDED DAY
ENRICHMENT PROGRAMS

Dear Parent/Guardian,

Welcome to the 2026 Extended Day Enrichment Program (EDEP) Summer Camp. VCS programs are a non-profit after-school childcare program for elementary age children who have completed Kindergarten through fifth grade.

The goal of EDEP is to provide a safe and enriching program which supports the family, school, and community. It provides opportunities for children to develop socially, emotionally, and physically, within a warm and caring atmosphere.

Our staff participates as partners with you in providing a quality program. Communication, support, and cooperation are essential ingredients in this partnership. Please read this handbook carefully and discuss pertinent information with your child and onsite facilitator/lead.

Please download the EDEP Summer Camp Parent Guide to acknowledge receipt of the parent information provided in this handbook. You agree that you have reviewed and understood the fee schedule, payment, and refund policy you are to follow. You acknowledge the enrollment criteria for the Extended Day Enrichment Programs and that your child(ren's) enrollment in the program may be subject to cancelation if he/she is unable to follow the criteria required. You understand that the account is the responsibility of enrolling Parent/Guardian.

Educationally yours,

Greg L. Schwartz

Coordinator, **Extended Day Enrichment Programs**

2025 EDEP Summer Parent Handbook

Mission

The VCS mission is to ignite a passion for learning in all students to be productive citizens. EDEP will provide student centered, quality care programs during out-of-school hours. To accomplish this mission, the Volusia County School District (VCS) Extended Day Enrichment Program (EDEP) strives to:

- Provide a safe and supportive environment for children during non-school hours.
- Provide enriching indoor and outdoor educational experiences.
- Provide academic support and remedial help (varies by school site).
- Increase student motivation and connection to school.
- Provide healthy snacks and/or meals to meet students' nutritional needs.

Vision

The VCS vision is to create life-long learners prepared for an ever-changing global society. Extended Day Enrichment Programs provide structured academic enrichment programs for school-age children. Every child and youth should have a safe and supportive environment, while engaging in activities that support academic achievement and promote social, emotional, physical development during Summer Camp.

Program Information

The EDEP is a voluntary, fee-based program. There are a limited number of students that can be served; therefore, students are accepted on a **first-come, first served** basis. All programs are contingent upon minimum enrollment criteria, staff availability, facility availability, and principal support. If, for any reason, an EDEP site is cancelled at a current school site, parents will be notified via letter, phone call, ClassDojo messenger, through email, and/or in person.

Enrollment/Student Eligibility

EDEP provides equal access and opportunity in its programs and activities to all students. EDEP does not discriminate based on race, color, national origin, gender, age, or disability, in its educational program or activities. Prior to enrollment in EDEP students must be officially registered by the parent/guardian at the school where the child will attend the program.

Waiting Lists

At times EDEP Sites have a waiting list which will be maintained digitally. When an opening occurs, the parent/guardian will be called in the order they registered for Summer Camp.

Nutrition

School Way Café (SWC) will be providing nutritional options in all programs. Parents are encouraged to provide a nutritional option for their own students if the student does not like the one provided.

Students Arrival and Departure Procedures

Parents, guardians, and authorized individuals are required to sign in and sign out their children from EDEP Summer Camp. No child will be released to anyone not authorized in writing by the custodial parents. **Individuals who are authorized to pick up children but are not known by the staff will be required to show photo identification prior to the student(s) being released.** The parent/guardian will be responsible for transporting their student(s) to/from the EDEP except for a school-wide evacuation. For safety reasons, students are **NOT** permitted to ride bicycles or walk home, according to the district's legal team. The district recommends that no one under sixteen (16) be allowed to pick up EDEP students.

Emergencies/Illness

In the event of a medical emergency, reasonable effort will be made to contact parents/guardians for specific instructions. If parents cannot be reached, the on-site Facilitator will take necessary action. The action on the part of the program personnel does not obligate the personnel or the school to assume financial responsibility for the treatment of the child. If a child becomes ill while attending the EDEP, the child's parents/guardians will be contacted to pick the child up from the program. Refusal to pick up your child promptly could result in dismissal from EDEP. Parents are responsible for notifying the Site Facilitator/Lead in writing or by phone in advance of the child's absence and/or withdrawal from the program.

Medication

School Board Policy 211 and 212 regulate the administration of prescription medication to students. The Authorization Form completed for the regular school day must be provided to EDEP. A record of medications administered will be kept as required, and all medication to be administered will be stored in its original container under lock and key.

Insurance

The School District of Volusia County has liability protection for accidents occurring during the school day and other school sponsored activities, including the EDEP. Every registered program participant will be covered through the Special Risk Accident Insurance policy underwritten for the EDEP. This insurance policy has a **\$25.00 deductible paid by the parent**, which will be applied separately to each claim. In the event of an injury, the EDEP Site Facilitator will provide the parent with a copy of the Hartford Life and Accident Insurance Claim Form that needs to be completed, signed, and submitted by the parent.

Student Registration

A student registration must be completed online by the parent/guardian for the school where they will attend the program. An annual **non-refundable** registration fee will be assessed and must be paid before a child can participate in the EDEP Summer Camp. If the student transfers to another EDEP site within the same summer school year no duplicate registration fee will be charged. However, placement in the new EDEP site is subject to availability. It is the parent/guardian's responsibility to submit court documentation of custodial rights to the Site Facilitator/Lead. If documentation was provided to the school office, it still must also be submitted to the Site Facilitator. Changes in information must be communicated in writing to the Site Facilitator by parent/guardians as they occur.

*****The health information requested on the form must be filled out to assist BTB/EDEP staff in providing for the health and safety of program participants.***

Reduced Tuition

Any family that is qualified for and receiving assistance through a federal program such as TANF, SSI, or Medicaid may qualify for the Voucher program through Volusia County Community Assistance. This application will be available online on the Volusia County website the week of February 9th, 2026 and is on a first come first served basis.

Late Payments

All balances must be paid in full by **Thursday, 11:59pm** (unless notated otherwise on the Weekly Fee Schedule) or a late fee will be assessed. Parent/guardian may make a payment by cash, check, or online. Payments made on the due date *after* 5:45PM at the site or 11:59PM online are considered late. A **\$10** late fee per child will be assessed to the account. If accounts remain overdue on Monday morning, students will not be allowed to attend until the balance is paid in full or a short-term payment arrangement has been initiated with the District Coach. On Tuesday (when the next week is invoiced), remaining overdue accounts without payment arrangements will be withdrawn from the program.

Families withdrawn for non-payment who would like to return will be placed at the bottom of any waitlist (if there is one). If a space becomes available, all balances due must have been cleared. A new registration fee will be required to re-enroll.

Late Pick up Fees

A *late pick-up fee* of **\$7.50** per child for **every 15 minutes** after **5:45PM** will be automatically charged to the account of the student(s) who are late being picked up. **More than three late pick-ups per semester** are habitual. Habitual late pick-ups will result in the student(s) being dismissed from the program. EDEP Site Facilitators will attempt to contact people permitted to pick up the student(s) as indicated on the Registration Form. **If no authorized person is reached by 6:15PM, local law enforcement will be called.**

Collection of Funds

Payments must be made by the due date to the Site Facilitator by check, cash, or online payment. Online payments can be set up as an auto payment for either credit/debit card or ACH (electronic check). Checks can be made out to each individual school and must have pre-printed account holders name and address. While making a payment onsite via cash, check, or money order (**exact change only**) please turn this in directly to the EDEP Site Facilitator. At the time of payment received on-site you will receive a handwritten or printed receipt. Please refrain from giving any funds to the front office at the school. EDEP is not responsible for any lost or stolen money turned into the front office.

Withdrawal from EDEP Summer Camp

If parent/guardian wishes to withdraw the student(s) from the EDEP please notify your Site Facilitator and complete the withdraw form.

Refund Request Timeline

Parents may request a refund due to a credit balance on the account. **This must be requested within (30) days of the students' last day of attendance.** No refunds will be made for \$10 or less on the account. If or when a refund is requested this communication needs to be given to the BTB/EDEP Site Facilitator/Lead. Please note this process can take up to four to six weeks before a parent or guardian receives check.

Collection of Insufficient Funds

We recognize that occasionally a parent may inadvertently overdraw a checking account, and a check may be returned by the bank. To recover these funds in a private and professional manner, Volusia County Schools has contracted CHECKredi, a company specializing in the collection of returned checks. CHECKredi will contact you by mail and by telephone to make arrangements to pay before attempting to re-present the check electronically. Payments of the returned check and fee may also be made online at <http://www.checkredi.com/> using a credit card, debit card or electronic check without any additional fees. For a convenience fee, payments may be made over the telephone at (877) 524-7334 by credit card, debit card, or electronic check. Payments cannot be made at a school or the district.

Internal Revenue Service Form W-10

The Volusia County School District's Taxpayer Identification Number (TIN) is 59-6000884. Use this number to claim the childcare credit on income tax returns. A copy of the IRS Form W-10 Dependent Care Provider's Identification and Certification will be provided to each parent/guardian at the time of enrollment in the BTB/EDEP. It is the responsibility of the parent/guardian to retain their tuition receipts as proof of the amount spent for childcare during the year. Site Facilitators are not required to provide parents/guardians with a total of the amount they have paid during the year.

Parent Communication

Daily contact between parents and staff is an important part of the program. By sharing information concerning your child's activities and welfare, we can work together to better meet the child's needs. A parent communication board is displayed in a designated area at each site. Please refer to this for activities, enrichment, schedules, and upcoming events. Please also sign up for Class Dojo and visit our social media pages for up-to-date information.

Parent Conduct

Parent/Guardians are expected to follow the Code of Civility on School Board Property or field trips.

Student Conduct

All EDEP sites follow the Volusia County School Board Student Code of Conduct.

Discipline Policy

All children in the EDEP will be expected and are required to follow the Code of Student Conduct and EDEP rules. The School Board of Volusia County reserves the right to dismiss any child from the program for repeated, disruptive behavior. Parents must remember that their child's participation in the EDEP is a privilege, not a right.

Discipline Action

The steps listed below will be followed by the EDEP staff in the event of a disciplinary problem.

1. Verbal contact with the parent/guardian.
2. A Behavior Conference Form notating the incident and signed by parent/guardian.
3. Possible suspension from Program (serious or repeated behavior problems may result in a one-to-three-day suspension from the program.)
4. After three Behavior Conference Forms have been filled out a Parent Conference with the District Coach, Site Facilitator and parent will occur to establish next steps. If the established next steps are not met or upheld, it can result in termination from the program.

Dismissal from EDEP Summer Camp

EDEP reserves the right to refuse service for the following reasons:

1. Failure of parent or child to follow EDEP policies, procedures, or rules.
2. Three written Parent/Student Conference forms or serious misbehavior that may warrant immediate dismissal from the program.
3. Children leaving supervised areas may result in dismissal.
4. Failure to pay fees as scheduled. (One week late)
5. Failure to adhere to closing time. (Three times)

***The EDEP on-site facilitator and/or principal have the authority to suspend or remove a participant with approval from the district EDEP Coach or Specialist.**
