Because of the increased risk for flu, gastrointestinal and respiratory illness at this time of the year, we ask that you take precautions to prevent the spread of germs.

- 1 WASH**
Wash your hands for at least 30 seconds (sing Happy Birthday twice) with soap and warm water.
- 2 COVER**
Cover your mouth and nose when you cough or sneeze with your elbow or tissue.
- 3 DON'T TOUCH**
Don't touch your eyes, nose or mouth! These are the areas where a virus can enter your body.
- 4 AVOID**
