Purpose of Title I

This newsletter is designed to keep you informed about important aspects of our Title I program and how we work together to support student success

Title I is a federal program that provides extra resources to schools to help all students meet high academic standards.

Our goal is to ensure that every child receives a high-quality education and that families are active partners in the learning process

Parent and Family Engagement

Policy speaks to the following goals:

- To provide meaningful two-way communications
- To eliminate or reduce barriers to greater family participation
- To provide training opportunities and informational seminars for families

Ridgway High School will be hosting regularly scheduled parent training sessions.

The goal of these meetings is to provide parents with valuable information and resources that support student success and promote the successful completion of the programs we offer. Some of these training consist of Fasfa Night, Advance Academic Night, Ponderance of Power Night etc.

We are also in the process of rebuilding our Parent-Teacher Organization (PTO), and we strongly encourage all parents and guardians to get involved.

Your participation is vital in helping us build a stronger school community.

Teacher Qualifications

If your child is taught for 20 days or more by a non - highly qualified teacher, you will receive the teacher's status in writing.
