
Regulation: Student Discipline

Remedial Discipline Plans

1. The school director may develop a plan for any student who causes a material and substantial disruption in the classroom, on school grounds, in school vehicles, or at school activities or events. The goal of the remedial discipline plan shall be to address the student's disruptive behavior and educational needs while keeping the child in school.
2. In developing the plan, the school director (or designee) will contact the student's parent/guardian to schedule a meeting with the student, the student's parent/guardian, and any members of the staff whom the school director believes should attend.
3. The purpose of the meeting will be to address the reasons for the student's disruptive behavior and to establish goals, objectives, and timelines to modify such behavior. A written plan will be prepared which addresses the student's disruptive behavior, educational needs, and what steps are necessary to keep the child in school. The plan will include incentives for good behavior and consequences if the student violates the plan.
4. The plan may be written in the form of a contract, which the student and the parent/guardian will sign and date.
5. The parent/guardian will be provided with a copy of the remedial discipline plan, and it will be placed in the student's cumulative file.

Habitually Disruptive Students

A student will be declared "habitually disruptive" if three times during the course of the school year the student causes a material and substantial disruption in the classroom, on school grounds, in school vehicles, or at school activities or events.

2. The student and the student's parent/guardian will be notified in writing of each disruption which counts toward declaring the student habitually disruptive. The student and parent/guardian will also be notified in writing of the definition of "habitually disruptive student."
3. A student who has been declared habitually disruptive shall be suspended and/or expelled in accordance with District policies concerning student suspensions, expulsions, and other disciplinary interventions.
