

Cherokee Trail High School 2026-2027
Course Selection Worksheet Grade 10

Course Request Agreements

I understand and agree to the following terms:

- All 10th graders are required to take a minimum of six (6) and a maximum of eight (8) credits.
- Course requests are not guaranteed and are based on availability. You must choose four (4) alternative courses.
- Any student who wishes to level change down must **remain in the class for four weeks** before a level change will be considered; additionally, the student must take the first unit test.
- I have carefully reviewed the course choices. I am aware that choices are final and changes to the schedule in the fall will not be permitted.

Use this worksheet as a guide prior to registering on PowerSchool. If you have questions about Cherokee Trail or other district courses, please speak with your counselor.
