Questions:

- Counselors are available every day before school and during lunch. Pop in and see us.
- Your teachers are smart! They can answer almost all registration questions. You see them in class everyday- just ask 😊
- See our Registration Q and A Sheet on the school website.
- Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).
- All registration materials are posted on our website under the “Counseling” dropdown menu
