

CLASS of 2027: SENIOR Registration Worksheet

Name:

Student ID#:

❶ Start with your **REQUIRED CORE** courses on the first page of the worksheet:

- **English** – full year required
- **Social Studies** – full year required
- **Math** – full year recommended, may not be required for all students
NOTE: nine full credits (12 courses) and completion through Algebra 2 is required for graduation; a fourth full year is recommended/required by most four-year colleges/universities
NOTE: your current Math teacher pre-selected your recommended next course (approval required to make a change).
- **Science** – full year recommended, may not be required for all students
NOTE: nine full credits (12 courses) and completion through either Chemistry or Physics is required for graduation; a fourth full year is recommended/required by many four-year colleges/universities
NOTE: your current Science teacher pre-selected your recommended next course (approval required to make a change).
- **Wellness 3** - *NOTE Wellness 3 is required in either gr 11 or gr 12*
- *NOTE: Fitness Foundations 2 (Individual Fitness 10-12) is required and may be taken any time in gr 10-12*

TOTAL THE NUMBER OF COURSES YOU CIRCLE IN THIS SECTION AND PUT IT IN THE SUB-TOTAL BOX AT THE LOWER RIGHT CORNER OF THE FIRST PAGE. YOU SHOULD HAVE BETWEEN 8-17 REQUIRED CORE COURSES SELECTED.

❷ Then, move on to your **ELECTIVE** course choices on the next two pages of the worksheet:

- Full-year elective choices are listed first, followed by semester/quarter elective choices
- Full-year Career Development courses are double period for the full year and count as EIGHT (8) courses.
- Single-trimester Career Development courses are double period over two quarters and count as FOUR (4) courses.
- A * indicates that there is a pre-requisite course that must be taken before taking this one
- Additional graduation requirement reminders:
 - *You must take at least one quarter course in the Arts to meet graduation requirements (can be in grades 9-12).*
 - *You must take at least five quarter courses in Phy Ed to meet graduation requirements (can be in grades 9-12).*

TOTAL THE NUMBER OF COURSES YOU CIRCLE IN THIS SECTION AND PUT IT IN THE SUB-TOTAL BOX AT THE LOWER RIGHT CORNER OF THE FIRST PAGE. ADD THE TWO NUMBERS TOGETHER TO GET YOUR TOTAL. YOUR TOTAL MUST BE BETWEEN 20-28 COURSES.

❸ Now, add your **ALTERNATES**. Please provide four alternative elective choices in the event that one (or more) of your courses is unavailable. *NOTE: If you do not provide alternates, we will select them for you.*

❹ Your final step is to enter your course selections into Infinite Campus. Directions are provided at the end of the registration worksheet.

COURSE SELECTIONS ARE DUE ON PAPER BY WEDNESDAY, FEBRUARY 4TH IN ADVISORY.

COURSE SELECTIONS ARE DUE ONLINE BY WEDNESDAY, FEBRUARY 11TH IN ADVISORY.

Ask your teachers or stop by the Student Services Office.
