No School Board updates currently; no members present.

Rene Braswell: using John G at the school for students. Seeing a few students herself in her office for different reasons.

Amy Simon: Middle School 3rd six weeks awards today. NJHS induction ceremony is coming up for 7th and 8th grade. New this year to middle school and to JISD is Softball and baseball for 6, 7, and 8th grade. Valentine's dance is scheduled for Friday, February 13, 2026.

John Guerrero: only counselor on campus at the time. Pushing for more play therapy. Adding an extra day to the work week for him to come to the schools. Taking referrals for any age groups. New doctor is coming in September, Dr. Windecker.

Erin Guerrero: currently there are 85 kids on the roster for CASP. Not all come at the same time. There are currently a few middle school students that are attending CASP. Mrs. Braswell agrees that students are enjoying CASP. New crosswalk that is in front of the CASP building. Working on getting signs to place on the crosswalk to remind drivers that there are people walking across the street. Officer Macha (SRO) helping with making sure students are safe when crossing the street.

Ivy Mendez: now with Good Samaritan. The office is currently out of the Fredericksburg office. They help with medical, counseling, dental and uninsured. Can help with referrals for surgical procedures. Contact Ivy if anyone needs assistance.

Regina Suttle: Increase in illness all campuses over the last few weeks after coming back from the holiday season. Flu, Strep and the stomach bug. Custodians are working hard to help with cleaning and disinfecting. Upcoming training: Stop the bleed for 7th grade coming in February, CPR and AED for 11th grade. Always changing video for 4th coming in March. Finished with hearing and vision, acanthosis, and spinal screenings.

SHAC Bylaws and Triennial Assessment, Erin Guerrero helping with this. No changes currently.
