

Do you LOVE to SING?

Join in the

All Island Youth Chorus AIYC

FREE to all Vineyard singers Grades 4th-6th.

Practice on Tuesdays from 3:15-4:30

Begins February 3, 2026 and runs through June 9th
at the MVRHS Performing Arts Center (PAC).

The AIYC is an opportunity for 4th-6th graders from all of our island schools to SING. Students will strengthen their voices and learn greater vocal control from a trained vocalist, plus they will practice singing and performing in a group. We will learn sight reading, good performance practices for singers and how to prepare for a concert.

Singers will meet at the Performing Arts Center lobby at the High School after school. We will hang out and chat, share snacks and then begin rehearsal. Students may come on busses from school or in carpools. Practice time will go from 3:30-4:30 pm. Families are responsible for pickup. There is no registration or fee to join, simply come! We plan to perform in some of the Island's best singing spaces in May and June and hope to have a trip off island.
