2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

At Eastbluff Elementary School, our vision is for every student to have enthusiasm for learning and the lifelong skills for success. Our mission is to be a community of learners that exceeds academic standards; balances academic success with creativity and appreciation for the arts; develops strong interpersonal and effective community participation skills; and fosters an environment where students, staff, parents, and the community cooperatively share the responsibility of achieving this mission.

The Eastbluff staff is committed to upholding high academic and behavioral standards for all students. Dedicated to the pursuit of excellence, we work diligently to meet the diverse needs of each student. Our educators are both professionally skilled and

2025-26 School Description and Mission Statement

personally committed to ensuring every student's needs are met. Eastbluff strives to create a learning environment that is responsive to the diverse academic levels, interests, and learning styles of our students. Our goal is to provide a safe, positive, and supportive educational experience where all students feel valued and are encouraged to reach their full potential.

At Eastbluff, we support the whole student by implementing Positive Behavior Interventions and Supports (PBIS), offering ongoing social-emotional learning opportunities, and ensuring students are actively engaged and connected within the school community. Our commitment to high-quality PBIS implementation has been nationally recognized, earning us the Platinum PBIS Award in 2019 and the Silver PBIS Award in 2025 (along with two prior Silver awards).

Throughout the school day, students engage in STEAM education through our dedicated STEM Lab and Art classes. In partnership with the Eastbluff community, we offer a variety of before- and after-school enrichment programs, including Battle of the Books (BOB), Odyssey of the Mind, VEX Robotics Club, Band, Choir, STARS (Student Tutors Accelerating Reading Success), Student Council, Yearbook, and Otter News. Additionally, Eastbluff collaborates with the Newport Beach After Class Enrichment (ACE) Program to provide further extracurricular opportunities.

Eastbluff is proud to have an enthusiastic and engaged group of students and families. We actively involve families on campus through organizations such as the PTA, the Eastbluff Foundation (eDads), the School Site Council (SSC), and the English Language Advisory Committee (ELAC). We value this strong collaboration, believing that family involvement is essential to the success of our students. Through clear and ongoing communication between home and school, we have built a school community where students, parents, and staff take pride in being part of the Eastbluff Elementary community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Newport-Mesa Unified School District follows the state's curriculum cycle to adopt/approve updated, high quality textbooks/instructional materials. Students are provided with an adequate supply of Board-approved textbooks/instructional materials for all subject areas. The reading/language arts and mathematics curricula are aligned with district and state content standards. Teachers also select supplementary instructional materials to meet the specific needs of their students. History/Social Science and Science curriculum instruction are aligned with district and state content standards. Individual schools support instruction by providing technology and a library/media center. Internet access is available in the library/media center and in all classrooms. Teachers and administrators have been trained to use technology and the internet as an instructional tool in the classroom. Each school continues to develop a way of integrating technology into curriculum and instruction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.

2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.

3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Eastbluff is proud to have an enthusiastic and engaged group of students and families. We actively involve families on campus through organizations such as the PTA, the Eastbluff Foundation (eDads), the School Site Council (SSC), and the English Language Advisory Committee (ELAC). We value strong collaboration with families and believe their involvement is essential to the success of our students. Families are kept informed about the school through our weekly Eastbluff Community Updates, the Eastbluff Instagram, PTA newsletters/website, the Eastbluff PTA Instagram, and the Student/Parent Handbook. Through clear and ongoing communication between home and school, we have built a school community where students, parents, and staff take pride in being part of the Eastbluff Elementary community.

At Eastbluff, we believe that parental involvement is key to both individual student success and the overall success of the school. We encourage families to take an active role in our school, and we are proud of the number and commitment of our parent volunteers. Every day, families participate by volunteering on campus in classrooms, art class, and the school garden. They also support students in before- and after-school programs such as Battle of the Books (BOB) and the 6th Grade Play. Additionally, our Eastbluff families volunteer countless hours after school for various PTO and school events.

For more information about how to become involved in the school, please contact Principal Daphne A. Eby at 949-515-6844.

2025-26 School Safety Plan

State education code requires schools to review and update the Comprehensive School Safety Plan (as needed) at least once each year. These plans must be submitted to the local Board of Education for adoption by March 1st. In Newport-Mesa Unified School District, plans are reviewed with staff at the beginning of the school year, evaluated and revised December through January, then submitted to the Board of Education in February. By following this cycle, schools open each August with a fully approved Comprehensive School Safety Plan in place for fall and allows for training and adjustments through mid-year.

Creating and maintaining a safe and orderly environment is essential for learning. Eastbluff Elementary School maintains a Comprehensive School Safety Plan and have emergency preparedness coordinators to train and instruct our staff. The Eastbluff School Safety Plan addresses disaster preparedness, personal characteristics of students and staff, school rules, routines and procedures, as well as the physical and social environment. Eastbluff Elementary participates in school-wide fire drills every month and intruder and earthquake drills at least two times each year.

The 2025-2026 School Safety Plan was approved by the School Site Council on January 15, 2025 and approved by the Local Board of Education on February 11, 2025. The plan was last updated and reviewed with faculty on September 22, 2025.
