2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

Welcome to Mariners Elementary School, a National Blue Ribbon and California Distinguished School! At Mariners, our mission is simple and steadfast: to inspire, motivate, and make a meaningful difference in the lives of our students every day.

Mariners is a comprehensive TK–6 school located in Newport Beach, California. As we work toward strong academic outcomes, we are equally focused on nurturing the whole child and strengthening our shared community values. Guided by high expectations, our students access a rigorous core curriculum, stretch their critical-thinking and problem-solving abilities, engage in a wide range of enrichment opportunities, and learn to collaborate effectively. Our staff remains deeply committed to providing the well-rounded educational experience reflected in our PBIS PRIDE statement: ****Be Positive, Show Respect to All,**

2025-26 School Description and Mission Statement

Act with Integrity, Show Great Determination, and Strive for Excellence.** These values anchor our daily work and help ensure that every student feels supported, challenged, and known.

We continue to build upon a strong foundation while expanding systems of support for all learners. Mariners offers a variety of STEM experiences, a vibrant visual and performing arts program, and a balanced use of technology that enhances—not replaces—high-quality instruction. Our students’ social-emotional needs are supported through a full-time counselor and a responsive Resource Support program. We are also proud of our unique partnership with the Donna and John Crean Mariners Branch Library, which serves as both a public library for the community and a rich resource for our TK–6 students.

Our enrichment programs remain a point of pride and are made possible through the tremendous generosity and fundraising efforts of the Mariners PTA and Foundation. Their support provides hourly teachers for our reading and math intervention programs, allowing us to offer targeted, research-based instruction to students who need additional time and support. These funds also enhance classroom learning through supplemental programs and materials that extend and enrich our core curriculum.

Parents and families are integral to the Mariners community. Their daily involvement—whether assisting with classroom activities, supporting learning centers, or participating in schoolwide events—strengthens the connection between home and school. Our PTA helps bring families together through beloved community traditions such as Boo Fest, Bingo Night, Art at Lunch, the Book Fair, and our annual school play.

At Mariners, we have charted a clear and intentional course for excellence—one that blends high expectations with a deep commitment to belonging, balance, and the belief that every child can succeed. We are proud of where we are and excited for where we are headed together.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Newport-Mesa Unified School District follows the state's curriculum cycle to adopt/approve updated, high quality textbooks/instructional materials. Students are provided with an adequate supply of Board-approved textbooks/instructional materials for all subject areas. The reading/language arts and mathematics curricula are aligned with district and state content standards. Teachers also select supplementary instructional materials to meet the specific needs of their students. History/Social Science and Science curriculum instruction are aligned with district and state content standards. Individual schools support instruction by providing technology and a library/media center. Internet access is available in the library/media center and in all classrooms. Teachers and administrators have been trained to use technology and the internet as an instructional tool in the classroom. Each school continues to develop a way of integrating technology into curriculum and instruction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.

2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.

3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Mariners Elementary School has an active and supportive PTA and Foundation, which supports the school financially and with parent volunteers. Monthly meetings are held by our PTA and Foundation that are open to our parent community. These meetings serve as opportunities for our families to hear about the programs and supports that are provided through PTA and Foundation, as well as to receive school updates. Mariners School is proud to be in partnership with our community. Our School Site Council provides parents opportunities to be involved with our school goals, budgeting, and other school related policies. Parent volunteers support our classrooms, STEM experiences, and our art program throughout the year. Parent volunteer organizations support the many programs and activities that occur throughout the school year. Our English Learner Advisory Committee also meets regularly to provide input from the perspective of parents of English Learners. Parent/Family engagement activities funded through LCFF include parent workshops, family educational events, and coffee with the admin meetings.

For more information about opportunities to become involved in the school, please contact Principal Amanda Estrada at 949 515 6960.

2025-26 School Safety Plan

State education code requires schools to review and update the Comprehensive School Safety Plan (as needed) at least once each year. These plans must be submitted to the local Board of Education for adoption by March 1st. In Newport-Mesa Unified School District, plans are reviewed with staff at the beginning of the school year, evaluated and revised December through January, then submitted to the Board of Education in February. By following this cycle, schools open each August with a fully approved Comprehensive School Safety Plan in place for fall-winter and allows for training and adjustments through mid-year.

Creating and maintaining a safe and orderly environment is essential for learning. We maintain a comprehensive school safety plan and have emergency preparedness coordinators to train and instruct our staff. Our safety plan addresses disaster preparedness, personal characteristics of students and staff, school rules, routines and procedures, and Mariners Elementary physical and social environment. Our school safety team meets to address safety issues for students and employees. Mariners Elementary participates in school-wide fire drills every month and intruder and earthquake drills at least two times each year.

The 2025-2026 School Safety Plan was approved by the School Site Council on January 14, 2025 and approved by the Local Board of Education on February 11, 2025. The plan was last updated and reviewed with faculty on August 14, 2025.
