2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

Pomona Elementary School serves students from Pre-K to 1st grade. Pomona is a “neighborhood school,” meaning that all students live within walking distance of the school, and this is one component that creates a true community feel at Pomona Elementary. The mission of Pomona Elementary School is to ensure that students have a safe environment and all the support they need to be successful. The Pomona learning community strives to create a sense of unity and community where modern scholars are inspired to use cutting-edge tools and skills to communicate, collaborate, create, and innovate. To achieve our collective vision, Pomona focuses on highly effective instruction in classrooms and collectively offers the following instructional programs:

2025-26 School Description and Mission Statement

English Language Arts/English Language Development

- Wonders ELA/ELD
- Write from the Beginning and Beyond
- Lexia
- Bridge to Reading
- Heggerty Phonemic Awareness

Mathematics

- Illustrative Math K-5
- Illustrative Mathematics 6th grade

Science and Engineering

- Project Lead the Way
- Weekly Science Lab
- Scott Foresman, California Science

Positive Behavior Intervention and Support

- PBIS
- Counselor

In addition to Pomona's cohesive core instructional programs, our school offers a multi-tiered system of support (MTSS) approach to ensure that all students receive the support and enrichment needed to reach their potential. We also have a full-time counselor, School Community Facilitator and a part-time school psychologist. Pomona has a team of 2 certificated teachers and 1 TOSA whom work alongside our classroom teachers to ensure that all students receive weekly small group instruction at their level. We have seen a consistent increase in student achievement since the beginning of the development of our MTSS, and we continue to work to improve our offerings to students and their families.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Newport-Mesa Unified School District follows the state's curriculum cycle to adopt/approve updated, high quality textbooks/instructional materials. Students are provided with an adequate supply of Board-approved textbooks/instructional materials for all subject areas. The reading/language arts and mathematics curricula are aligned with district and state content standards. Teachers also select supplementary instructional materials to meet the specific needs of their students. History/Social Science and Science curriculum instruction are aligned with district and state content standards. Individual schools support instruction by providing technology and a library/media center. Internet access is available in the library/media center and in all classrooms. Teachers and administrators have been trained to use technology and the internet as an instructional tool in the classroom. Each school continues to develop a way of integrating technology into curriculum and instruction.

School Facility Conditions and Planned Improvements

POMONA - 28,800 Classroom Sq. Ft.

This school was built in 1963. There are 20 permanent classrooms, a multi-purpose room, and an administration building. 2 portables were placed in 1987, 1 was placed in 1991, 3 were placed in 1999 and 4 were placed in 2006. The school was modernized in 2005 and the six older portables were all modernized in 2006. Playgrounds, restrooms, asphalt, and fans/AV were all updated in Summer 2025.

171 work orders were completed for Pomona in the 2024-2025 fiscal year. This site was last inspected on 10/01/2025.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Pomona School has numerous parent and community volunteers serving our students in the classroom. We also have parent involvement opportunities through School Site Council, PTA and ELAC. Parents are informed about the school programs through ParentSquare communication platform, with both emails & text messages and the Pomona Parent Handbook. Information is provided in Spanish and English. PTA and ELAC meetings are conducted in Spanish with English translation. Pomona Elementary's School Community Facilitator offers parent education classes throughout the year on the Pomona campus and via Zoom. The School Community Facilitator also refers parents and their children to community programs and resources. Below is a list of the parent education offerings at Pomona Elementary:

- School SMART Parent Classes
- Social Emotional Learning
- Literacy Parent Workshops
- Latino Literacy

Pomona works collaboratively with the following agencies and refers parents to these organizations:

Variety of parenting and well-being classes @ Melinda Hoag Smith Center for Healthy Living

For more information about opportunities to become involved in the school, please contact the Principal, Cindy Pedroso 949-515-6891.

2025-26 School Safety Plan

State education code requires schools to review and update the Comprehensive School Safety Plan (as needed) at least once each year. These plans must be submitted to the local Board of Education for adoption by March 1st. In Newport-Mesa Unified School District, plans are reviewed with staff at the beginning of the school year, evaluated and revised December through January, then submitted to the Board of Education in February. By following this cycle, schools open each August with a fully approved Comprehensive School Safety Plan in place for fall-winter and allows for training and adjustments through mid-year.

Creating and maintaining a safe and orderly environment is essential for learning. We maintain a comprehensive school safety plan and have emergency preparedness coordinators to train and instruct our staff. Our safety plan addresses disaster preparedness, personal characteristics of students and staff, school rules, routines and procedures, and Pomona's physical and social environment. Our school safety team meets to address safety issues for students and employees. Pomona participates in school-wide fire drills every month and intruder and earthquake drills at least two times each year.

The 2025-2026 School Safety Plan was approved by the School Site Council on November 18, 2024 and approved by the Local Board of Education on February 11, 2025. The plan was last updated and reviewed with faculty on August 28, 2025
