### Inclement Weather Reminder

*Today's newsletter is hitting inboxes a bit later than normal so that communication about the potential impact of this weekend's forecasted inclement weather could reach all families first.*

Should inclement weather cause a delayed opening, early dismissal, use of a flexible instruction day (FID), or closure of school, CV has procedures in place to communicate schedule changes and other important information.

Please take the time to click the links below to learn about our inclement weather procedures and FID information.

Congratulations to CVHS English teacher and department chair, Mr. Shaun Karli, on receiving CV's Educator Award of Excellence! Twice each school year, the Conestoga Valley School Board recognizes exemplary employee performance through this award. Individuals are nominated by their peers and selected by the School Board.

Mr. Karli was recognized at last evening's board meeting. Mr. Karli is also the advisor to Valley Heat, CVHS's STEP team, among his many other contributions to our district.

## CV Cares

[CV Cares](#) is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
