## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

## 2025-26 School Description and Mission Statement

Our Mission Statement at Albert Einstein Middle School is to prepare students to show initiative, strive for personal excellence and actively contribute to a team in order to compete and succeed in high school, college, career, and life.

To achieve this end, Einstein has a collaborative and dynamic academic plan to maximize students' secondary and post-secondary options. Einstein students are expected to work hard in all disciplines and persevere to demonstrate proficiency on the Smarter Balance Assessment Consortium (SBAC) tests in Math and English Language Arts and in Science through the California Science Test (CAST). Einstein students are also supported to achieve and grow social-emotionally as youth who show responsible decision making, empathy, and respect to others.

## 2025-26 School Description and Mission Statement

Students attending Albert Einstein Middle School are offered a variety of opportunities to demonstrate excellence. We have a strong variety of exciting elective opportunities that include: Band, Advanced Band, Orchestra, Advanced Orchestra, Guitar, Art, Advanced Art, Career Technical Education, Digital Art, Photography/Yearbook, and Leadership. The school adopted school-wide PBIS to support social-emotional, behavioral and academic growth. Einstein teaches PBIS through the expectation via PRIDE (Personal Responsibility, Respect, Integrity, Digital Citizenship, and Excellence in all you do). Additionally, students have access to many activities including sports, mentoring, enrichment, and teacher sponsored clubs, students will experience a wide selection of positive social experiences. Examples include: Men's/Women's Leadership Academy, Robotics, Black Scholar Collective, Mathletes, Student Leadership, Peer Court, Anime Club, Chess Club, PRIDE Club, Mental Health Awareness Club, Eagle Dance Team, Clean and Green Club, Art club, Computer Club, Nor Cal Theater Company, and more. Additionally, many students will have an opportunity to participate in activities sponsored by our after school program: ASES (After School Enrichment and Safety).

We value our parents as our students' first teachers. Parent/Guardian partnerships and collaboration are highly valued. We encourage parents/guardians to engage in students' education by participating on our School Site Council/English Learner Advisory Committee, Back-to-School Night, Parent Informational Meetings, and/or Family Lunch Days. We also encourage families to come out for our Campus Beautification Days to garden, build, or help beautify the campus. We urge parents to stay in communication with each students' teachers by phone, email, and/or the Infinite Campus Parent Portal, or seek support through our Student Support Center, counselors, teachers, school administrators, COST referrals, or more.

As students continue their academic journey, the relationships between staff, students, and families at Albert Einstein Middle School will contribute to a successful school experience and future for our scholars.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

District adopted instructional materials are available for all students in grades TK-12. Each year, instructional materials sufficiency is ensured via site visits by the Sacramento County Office of Education and site leader verification. Site visits occurred throughout the months of August and September 2025. No findings of insufficiency for use in class and at home was presented to, and approved by, the board on October 2, 2025. The Curriculum & Instruction Department maintains a current list of all district-adopted instructional materials, with the intent of adopting new materials as adoptions expire. The standard adoption cycle was interrupted during the COVID-19 pandemic and is now being remedied with planned adoptions for Mathematics and English Language Arts phased over the next four years.

## School Facility Conditions and Planned Improvements

Albert Einstein Middle School, located at 9325 Mirandy Dr, Sacramento was built in 1964. It sits on a 21 acre site and houses 43 classrooms, comprising 183,729 built square-feet. The site has 0 playgrounds.

In the 2024-25 School year the site received \$0.00 worth of deferred maintenance spread between the following projects:None.

The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe, and functional. The district Operations Department takes great pride in following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The Sacramento City Unified School District award winning facilities master plan outlines the modernization of SCUSD schools and facility buildings, many of which are over 50 years old. The plan is a living document, reviewed regularly. It can be viewed at [scusdplan.org](http://scusdplan.org).

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Parents are encouraged to participate in a variety of school activities. Parents participate in Parent Leadership Meetings, Community Service Days, Set-Building Days, The Parent Teacher Home Visit Project and involvement in the governance of the school through the combined School Site Council, English Learner Advisory Committee, and monthly parent meetings..

Communication occurs through personal and automated phone calls, emails, and follow up communications. We have staff who speak and translate in Spanish, Ukrainian, and Russian. A yearlong calendar keeps parents informed about upcoming events, classes offered by the district, student activities, and announcements for volunteer opportunities. The school website includes current information and is managed by the front office and students in the Yearbook/Publications class. Infinite Campus Parent Portal offers on-line information for parents regarding their child's grades, homework, behavior, attendance, and more. Parents may also use teacher voice mail or email to contact teachers for information about their children.

For more information, contact Chase Tafoya, Principal, Curtis Holmes, Assistant Principal, or Stephanie Ehrk, Office Manager at (916)395-5310.

## Professional Development

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district strives to provide staff with professional learning opportunities that focus on ensuring that all students have access to culturally responsive high-quality instruction and support through Universal Design for Learning and anti-bias/anti-racist practices in a robust multi-tiered system of support. District experts also provide professional learning specifically focused on Literacy, English Learners, Mathematics, Science, Educational Technology, Physical Education, the Visual and Performing Arts, and Culture and Climate. The learning opportunities afforded through district professional learning deeply aligns with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content
