## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2025-26 School Description and Mission Statement

Clegg Elementary School is committed to providing a high-quality, student-centered educational program that supports the social, emotional, and academic growth of every child. The School Accountability Report Card is designed to share important information with families regarding instructional programs, student achievement, school facilities, and staffing. Our experienced and dedicated staff believes all students possess unique talents and works collaboratively to challenge and support each child in reaching their fullest potential.

We offer a rigorous academic curriculum supported by targeted intervention programs to meet the needs of all learners. Students receive additional support through specialized reading and mathematics intervention teachers across grade levels. As

## 2025-26 School Description and Mission Statement

a STEAM Magnet School, Clegg emphasizes Science, Technology, Engineering, Arts, and Mathematics through hands-on, project-based learning. In its third year of implementing Project Lead The Way, our STEAM program continues to strengthen critical thinking, problem-solving, and real-world application skills that prepare students for future success.

Strong partnerships with parents and the community are essential to our success. Organizations such as the Parent Teacher Student Association and School Site Council play an active role in supporting our school. Located in Huntington Beach within the Westminster School District, Clegg Elementary serves a diverse student population and operates on a traditional school schedule. Together, our motivated students, committed staff, and engaged families work toward a shared mission of fostering high achievement, lifelong learning, and responsible citizenship in a safe and supportive environment.ounded by a picturesque city backdrop. Clegg Elementary School operates on a traditional schedule with 456 students enrolled at the beginning of the 2024-25 school year. Total enrollment in the district for the 2024-25 school year was approximately 8,845 students. Student body demographics are illustrated in the chart.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 16, 2025 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 16, 2025.

## School Facility Conditions and Planned Improvements

Clegg Elementary School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in September 2025.

### Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

### Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority.

### Deferred Maintenance Budget

Annually, the district assesses deferred maintenance needs and creates a budget for each school site. Based on availability of funds, the district focuses on safety needs first and prioritizes other facilities repairs accordingly. Typically deferred maintenance repairs include roofing, plumbing, heating, air conditioning, electrical systems, paving and flooring.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	61	62	45	45	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade 5	98.81%	98.81%	98.81%	98.81%	100%

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Clegg Elementary School strongly encourages parents and families to be actively involved in school activities and programs. Many of our events and initiatives are enriched through partnerships with organizations such as California State University of Long Beach's Project SERVE Program, the Boys & Girls Clubs of Westminster, the Westminster Education Foundation, and the Clegg Parent Teacher Association (PTA). Family engagement opportunities include parent conferences, Lunch on the Lawns, STEAM showcases, Back to School Night, Open House, and at least one family-focused evening event each month, all designed to welcome parents, encourage collaboration, and strengthen school-home connections.

Clegg has an active Parent Teacher Student Association (PTSA) that supports school programs and keeps families informed. Parents receive a weekly email newsletter with updates on school activities and community events, as well as bi-weekly PTA communications highlighting upcoming opportunities. Families are also encouraged to share feedback through surveys included in newsletters and to schedule appointments with teachers or the principal as needed. Additionally, Clegg offers parenting classes through the School Smarts program, a seven-week course held on campus.

Parents can stay informed and engaged through the school website at [www.clegg.wsd8.us](http://www.clegg.wsd8.us) and by contacting the Clegg PTA at [cleggpta@gmail.com](mailto:cleggpta@gmail.com). Parent involvement is an integral part of Clegg Elementary's success, and we value the ongoing partnership between families, staff, and the community in supporting student learning and achievement.

## 2025-26 School Safety Plan

Clegg Elementary School provides a safe and secure campus for students, staff, and visitors. Built in 1967, the school offers well-maintained, up-to-date facilities and adequate space to support student learning and staff needs. The campus includes a kindergarten area, library center, intervention center, multipurpose room, and 27 classrooms. Additional instructional spaces include a STEAM Lab, Speech and Counseling room, and a Resource room where daily student interventions take place. Students also enjoy a spacious playground featuring swings, a slide, play bars, grassy fields, and open areas for sports and recreational activities.

The school's Comprehensive School Site Safety Plan is reviewed annually to ensure the protection of students, staff, and school property while promoting a safe learning environment. All staff members receive copies of the plan and participate in annual in-service training focused on school safety procedures. During the school day, students are supervised by both classified staff and teachers to ensure consistent monitoring and support.

The 2025–26 School Safety Plan was approved by the School Site Council on October 29, 2025, and the Board of Education approved the School Site Safety Plan on November 20th 2025. Safety drills, including earthquake, fire, and shelter-in-place drills, are conducted regularly. In the event of an emergency, Clegg Elementary's Disaster Preparedness Plan outlines clear response procedures, and emergency supplies are readily available on campus.

## Professional Development

Annually there are three district staff, classified and certificated, professional development days. The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" session tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. District staff also attend conferences and outside training that is site determined such as behavior interventions and supports, AVID training, reading and writing conferences, technology conferences and GATE conferences.

This table displays the number of school days dedicated to staff development and continuous improvement.
