2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

HISTORY: Live Oak School was founded in 1864. The one-room schoolhouse was located on Live Oak Road in rural southeast Lodi. In 1906 a school tax of \$2,250 was passed and levied to build and enlarge the schoolhouse. In 1949, the current site was purchased approximately one half mile from the original location, and the present school building was constructed.

From 1989-2003, a total of fourteen years, Live Oak was on Year Round Calendar of 163 instructional days and served as many as 500 students each year. In 2003, Live Oak switched to a Modified Traditional Calendar of 180 instructional days, and its attendance boundaries were changed. The specially designed calendar and bilingual program to accommodate the needs of Migrant students continued until June of 2008. Currently, all students follow the Modified Traditional Calendar.

2025-26 School Description and Mission Statement

MISSION STATEMENT:
The goal of Live Oak School is to provide the best possible education for all students by challenging them to the extent of their abilities and supporting them with appropriate instructional strategies. The educational program, which addresses intellectual, personal, physical, and social development, allows students the opportunity to reach their full potential. The staff strives to create an environment where students, teachers, support staff, and parents work together in a climate that is safe, friendly, open, and nurturing for all students.

Teachers focus on the four major subject areas of Live Oak's curriculum: language arts, math, social studies, and science, with an eye toward preparing students for the complex and evolving demands of the 21st-century workplace. Qualified itinerant music and physical education teachers deliver instruction to develop students' knowledge and skills in these areas. All instruction is based on the Common Core State Standards. Instructional materials are selected from those adopted by the District and approved by the State. Various teaching strategies are utilized to accommodate different styles of learning. Opportunities are provided for students to learn from each other and to apply their knowledge to actual life situations.

Students mutually value their respective cultures and perspectives. They interact and learn from each other. Students with special needs are fully integrated into all the major activities of our school calendar and are mainstreamed whenever possible. The Live Oak educational community is a vibrant mix of students, staff, and parents, all representing diverse backgrounds, languages, traditions, ethnicities, and histories. They reach across borders and are bound together in the common endeavor to educate the young citizens of today so they may take their place in the world tomorrow as responsible and creative stewards.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

The current main structure was built in 1946. The multi-use room was constructed in 1975, and portables were added as needed after that date.

MAINTENANCE AND REPAIR:

The Live Oak School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

School Facility Conditions and Planned Improvements

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS:

2011 Renovation of school with exterior painting, stucco repairs, replaced various windows and added new lighting. 2012 Replaced fencing, poured new concrete by back portables & repaired sewer line. 2013 Various flooring replaced. 2016 Added cameras & access control on office doors only. 2017 Added a few portables. 2017 Prop 39 Yr 2 Wireless Energy Management System Replacement Project completed. 2019-20 Measure U Parking lot seal coated and front of school parking drop off improvements/bus loop and paving.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Live Oak Elementary on 10/13/2025.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2025, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Live Oak Elementary.

These needs include:

- gas leaks
- non-functioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP						
This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment. To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer. ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parents who wish to participate in Live Oak Elementary's leadership teams, school committees, and school activities, or become volunteers may contact Principal Tonia Arevalo at (209) 331-7370.

Parents are welcomed as volunteers in the classroom on a regular or intermittent basis. They are provided with the opportunity to become "designated volunteers" when they successfully complete the board-mandated district screening process. Teachers provide initial and ongoing orientation for meaningful involvement.

Parent Teacher Organization (PTO) meetings are held regularly, and invitations are extended through various types of newsletters. At each meeting, parents are acknowledged as key supporters and opportunities for collaboration and involvement are announced. These include fund-raising opportunities, academic events, and the organization of social and extracurricular activities for the students. Parents are informed of vacant PTO officer positions and encouraged to run for office.

As a Title I school, Live Oak invites parents to special informational evenings about curriculum topics.

Requests for nominations for open School Site Council parent representative positions are disseminated when terms expire. School Site Council meeting notices are published so all may attend and/or become informed.

Parents of all English Learners receive personal invitations to attend the English Language Advisory Committee (ELAC) meetings held regularly. The principal conducts the meetings in Spanish and English.

Openings for parents to assist our students by working as cafeteria and playground monitors during the noon hours are advertised through the district when the positions become available.

2025-26 School Safety Plan

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 11/22/2024.
