

FOR IMMEDIATE RELEASE

Caprock Academy Named to AP School Honor Roll for Third Consecutive Year

Gold distinction earned in 2025 for excellence in Advanced Placement programs

Grand Junction, CO — January 22, 2026 — Caprock Academy High School has been named to the 2025 Advanced Placement® (AP®) School Honor Roll for the third consecutive year (2023–2025), earning Gold distinction in 2025. The recognition, announced by the College Board, honors schools that deliver strong academic outcomes while expanding access to college-level coursework.

The AP School Honor Roll recognizes schools whose Advanced Placement programs are delivering results for students while broadening participation. Schools earn this recognition annually based on criteria that reflect a commitment to building a college-going culture, increasing opportunities for students to earn college credit, and maximizing college readiness.

During the 2024–2025 academic year, 60% of Caprock Academy high school seniors took at least one AP Exam, 85% earned a score of 3 or higher on at least one AP Exam, and 6 completed five or more AP Exams during their high school career.

Caprock Academy currently offers 13 AP courses, taught across 4 sections, by 5 AP-trained teachers, reflecting the school's ongoing investment in academic rigor and student opportunity.

“This recognition reflects the hard work of our students and teachers and the intentional culture we’ve built at Caprock Academy. Being named to the AP School Honor Roll for the third consecutive year, and earning Gold distinction this year, affirms our commitment to providing meaningful academic challenge while supporting every student’s growth and readiness for what comes next.” — Matt Diers, Head of School

About Caprock Academy
