# **Gemini: Your School Assistant**

Helping Roxbury Parents Connect and Support Learning

# What is Gemini?

---

Gemini is a smart helper from Google. It acts like a personal tutor and translator that you can carry in your pocket.

It is free, easy to use, and available 24/7 to help you and your child succeed at Roxbury.

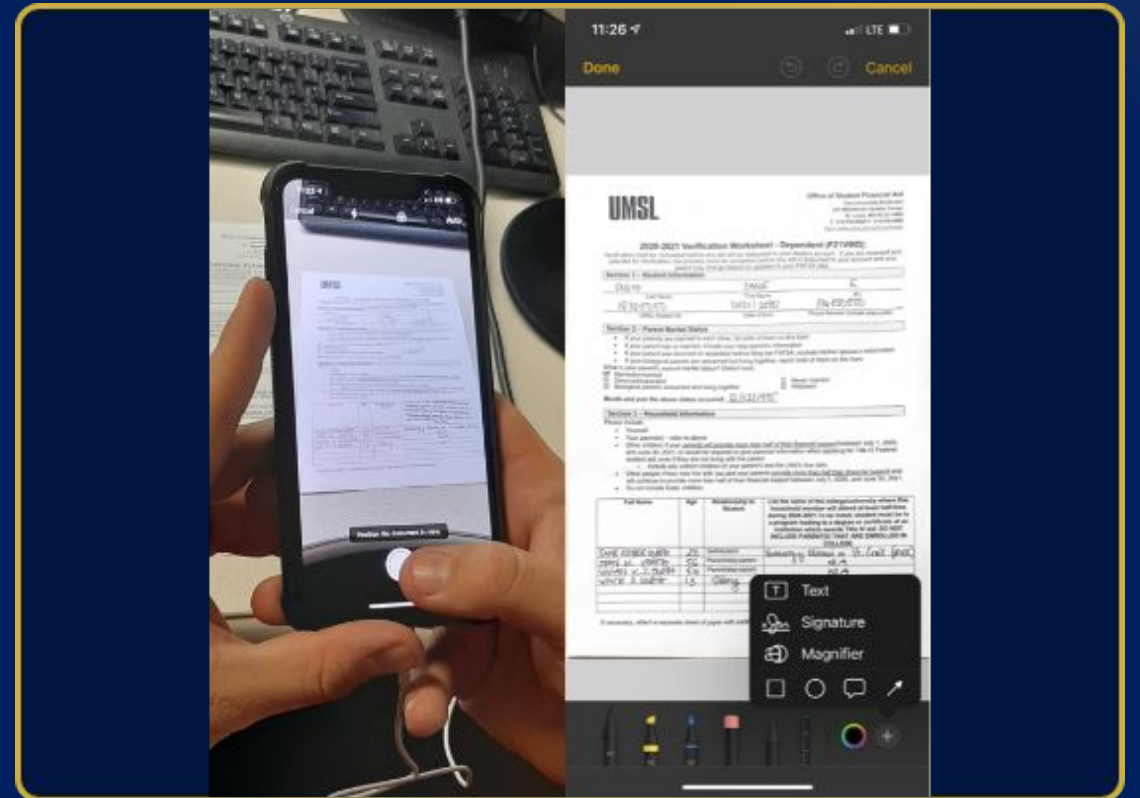

# Understand Everything

## Translate Documents Instantly

Real-World Example: Did your child bring home a permission slip in English?

Simply take a photo of the paper. Gemini can read it and translate it into Spanish, Portuguese, or your native language instantly.

# Help with Homework

---

## Support Your Child's Learning

**Real-World Example:** Is your child stuck on a difficult math problem?

Ask Gemini to explain the concept in your home language. This allows you to understand the problem and guide your child to the solution.

# Talk to Teachers

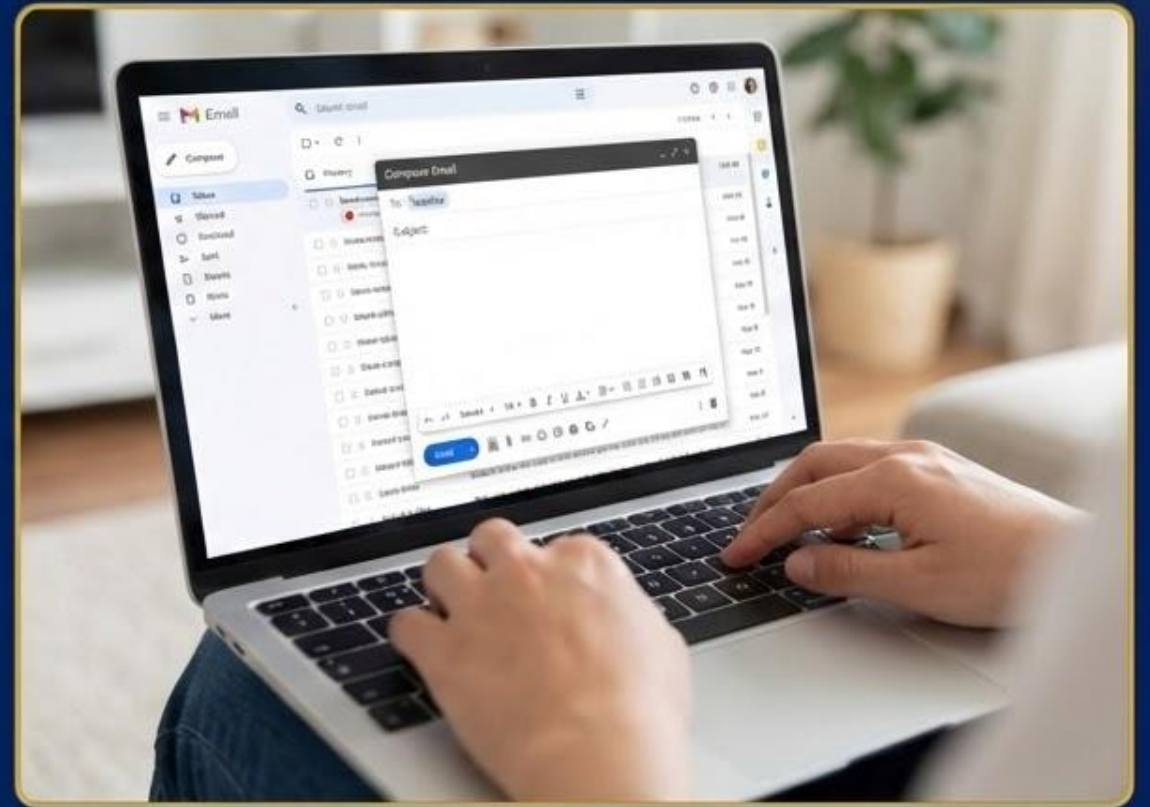

---

## Write Confident Emails

**Real-World Example:** Do you need to email a teacher but feel unsure about your English?

Write your message in your language, then ask

Gemini: "Translate this to professional English for a teacher." Copy and send!

# Practice English

---

## Learn at Your Own Pace

**Real-World Example:** Want to improve your English conversation skills?

Chat with Gemini just like a friend. It is a judgment-free zone where you can practice asking questions and learning new phrases anytime.
