Contains important information on almost every topic

How does enrollment work?

- Applications accepted the first Monday of February (2nd) through the third Friday of February(20th) on our website: *www.lpsfrisco.com*

Enrollment (cont.)

- The application is very simple; not first come, first served; for one year
- Lottery – held the following Friday (2/26) to determine admission for openings and wait list order

Enrollment (cont.)

- Applications for lottery will be accepted Feb 2- Feb 20. If application is accepted after that, the student will automatically go on the waitlist.

- The waitlist is active from the beginning of summer through the last day of the school year.

Enrollment Priority

- Siblings of current students do get priority for any openings; there must be an opening for admission

- The system connects siblings/multiples for priority if one is admitted
