Athletic Eligibility

Tennessee Secondary Sports Athletic Association

To be eligible to participate in athletic contests during any school year, the student must earn five credits the preceding school year. All credits must be earned by the first day of the beginning of the school year.

The HHS Athletic Director and NCAA counselor will meet with all student athletes once per semester to review regulations and eligibility status.

National Collegiate Athletic Association

If a student plans to compete in NCAA sports at a Division I or II school, the student must register with the NCAA Eligibility Center to ensure he/she stays on track to meet initial eligibility standards.

To play sports at a Division I or II school, students must graduate from high school and meet all the following requirements:

Division I	Division II
