| By June 2026, the middle school will reduce overall chronic absenteeism from 17.3% in 2024-2025 to 12% or lower, as measured by the end of the year attendance data. | <ol style="list-style-type: none"><li>1. Implement a schoolwide attendance monitoring system with weekly data reviews.</li><li>2. Establish clear attendance expectations and communicate them with families and students through assemblies, newsletters, and the school website.</li><li>3. Use automated and personal outreach (calls, emails, texts) after 2, 5, and 10 absences.</li><li>4. Implement positive attendance incentives at the classroom, grade, and school levels.</li></ol> | <ul style="list-style-type: none"><li>• Principal</li><li>• Assistant Principals</li><li>• Truancy Officer</li><li>• Classroom Teachers</li><li>• PBSIS Committee</li></ul> | <ul style="list-style-type: none"><li>• Weekly Attendance Reports</li><li>• Monthly Attendance Reports</li><li>• Realtime End of the Year Data</li></ul> |

|                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                          |                                                                                                                                      |
