IMPORTANT ON-SITE STUDENT CARE INFORMATION

- ***NEW* student care families** *can find detailed information about on-site student care and the registration waitlist process on the* **FCUSD website > Family & Community > Expanded Learning Opportunities After-School & Summer Programs > After-School Enrollment and Registration:** ***https://www.fcusd.org/family-community/before-after-school-programs/updated****.*

- *The link to the 2026-2027 registration waitlist will be available online on February 2, 2026. Submitting a waitlist form does NOT guarantee a spot in student care. As is the case at many schools in the district, the student care program at Gold Ridge is impacted and there may be a significant wait to secure a spot.*

- *If you submit a waitlist form and a spot becomes available, you will be contacted directly by the FCUSD Student Care Office to complete the enrollment process.*

- *An alternative to on-site student care is private, off-site childcare. Many private childcare facilities in Folsom offer transportation to and from Gold Ridge.*

- ***CURRENT* student care families** *will register their new student(s)* ***and*** *re-register their current student(s) through their Procare Portal. The link to the portal can be found on the* **FCUSD website > Family & Community > Expanded Learning Opportunities After-School & Summer Programs > After-School Enrollment and Registration:** ***https://www.fcusd.org/family-community/before-after-school-programs/updated****.*
