

# BROADMOOR BOUTIQUE

The Broadmoor Boutique, housed in Room 18 in the Garden Level at SMN, is dedicated to serving **all** SMSD students and staff by providing free, quality clothing. The mission of the Boutique is to promote equity, confidence, and community while reducing waste through sustainable, eco-friendly practices.

Especially, the boutique takes donations of gently used and clean clothing, shoes, formal wear, and accessories and then sets up a shopping experience to come by and grab new fits, items for spirit days or a dress for the dance you know you'll only wear once. Not only does this help students afford new clothing items it also gives clothing a second life, which contributes to creating a greener, more compassionate world.

If you need anything, stop by the first Wednesday and Third Tuesday of each month for the fresh fits and fun vibes.
