Through Another's Eyes

Key Stage 1-2 Runner-up

Through Another's Eye

What if I could see the world
Through someone else's eyes?
Would I feel the wind more soft,
Or see the brighter skies?

Would the flowers look more bright,
And stars shine clearer too?
Would the clouds look fluffy white,
Or turn a darker blue?

Would I laugh at silly jokes,
Or feel the same old pain?
Would the sun feel warmer,
Or would the rain feel strange?

Through another's eyes, you see,
Things might look very new.
But in the end, we all must know,
That hearts still beat the same, it's true.

Cherish Aristides (age 9)
