SUMMER Table of Contents

MORE CAMP, MORE CONVENIENCE!

New this summer! Before-and-after care is now available for many enrichment camps giving families added flexibility and peace of mind.

Families can view details and pricing for before- and after-care by selecting those options during registration.

ARTS & ENRICHMENT

Ignite creativity through hands-on enrichment like LEGO creations, slime experiences, and STEM challenges, then take the stage as an artist, musician, or actor in programs such as Art Attack, Drama Studio, and our summer production of *Curtains*.

Page 6-20

AQUATICS

Build confidence in the water and take your skills further with Swim School, Pre-Competitive Swim, or Infant Swimming Resource. Ready for something new? Make a splash and explore scuba at our Seal Team Scuba Camp!

Page 25

OUTDOOR EDUCATION

Head outside for adventure with BablerWILD full-day camps, outdoor cooking, and archery experiences. Bus transportation is available for BablerWILD.

Pages 6-14, 21, 28

ADVENTURE CLUB

Make the most of summer with Adventure Club's SummerLink, filled with crafts, sports, games, field trips, and more. Or stay On the Move with daily outings around the area and nonstop fun.

Page 6-14, 24

SPORTS

Take your game to the next level or jump into something new this summer! Get moving with basketball, soccer, golf, tennis, and more high-energy fun.

ABOUT US

Parkway-Rockwood Community Ed is a partnership between the Parkway and Rockwood school districts that provides high quality programs and services to enhance the quality of life for residents.

WHAT WE DO

Provide experiences for today, tomorrow and life.

OUR PLEDGE TO THE COMMUNITY

We care about your experience. At Community Ed, we constantly strive to make programs more enriching, accessible and engaging so you have the best experience possible while learning and having fun.

PARKWAY SUMMER SCHOOL ENRICHMENT CLASSES

Community Ed has partnered with Parkway to provide enrichment classes during Parkway Summer School. These classes are open to all families. You do not have to be enrolled in Parkway Summer School to attend.

• Enrichment classes run Monday through Friday!

• Summer school attendees can sign up for an afternoon enrichment class for a full day experience!

Summer Camp Descriptions

Aliens and Astronauts

Do aliens exist? Who knows! Have fun examining “evidence” of alien encounters, hypothesizing what aliens might look like, and exploring what astronauts experience in the vastness of space! Instructor: Community Ed Staff

All Abilities Camp

Have fun and celebrate our abilities! This camp for youth with intellectual or physical impairments offers engaging indoor and outdoor activities that build social, emotional, cognitive, and physical skills. Campers stay active, gain independence, make friends, and enjoy classic summer camp fun. Instructor: Community Ed Staff

Art Attack is Back!

Our most popular art camp is back and better than ever! With a lineup of new projects and activities, this week is a favorite for all art lovers. Don't wait, spots fill up fast! Instructor: Community Ed Staff

New! Art from Around the World

Do you like art? Discover art styles from the Spanish- or French-speaking world while enjoying hands-on creative activities inspired by these cultures. Instructor: Rockwood Language Arts Teacher

New! Art with Action

Imagine the messiest, craziest art you can create and then bring it to life! Use bubble wrap, spray bottles, sponges, and more to make your masterpieces. We'll spend the week getting messy, trying new things, and letting our imaginations run wild. Instructor: Community Ed Staff

BablerWiLD Counselor-in-Training (CIT)

Are you a future leader? This two-week experience lets young adults build leadership skills, assist our youngest campers, and gain hands-on experience while having fun. Instructor: Community Ed Staff

New! BablerWiLD: Summer Camp Classic

Start your summer with this classic outdoor camp! Explore the creek, play gaga ball, hike in the woods, and create something to take home. Bring friends, make new ones, and make it a summer to remember. Instructor: Community Ed Staff

New! BablerWiLD: Nature Unleashed

Get ready for a week of nature-based fun! Play camouflage games, hunt for bugs, and enjoy classic BablerWiLD activities. Instructor: Community Ed Staff

New! BablerWiLD: Wilderness Artists

All your favorite BablerWiLD activities with extra art! Sculpt, create songs, and enjoy a week of outdoor fun and classic games. Instructor: Community Ed Staff

New! BablerWiLD: Wildlife Explorers

Get ready to explore! Spend a week outdoors discovering wildlife through scavenger hunts, bug hikes, and more. See what you uncover as a true wildlife explorer! Instructor: Community Ed Staff

New! BablerWiLD: Creeks and Critters

Join us for a mini-camp full of daily creek adventures! Find crawfish, make face paint, crawl through a small cave, and enjoy classic BablerWiLD games and activities. Instructor: Community Ed Staff

New! BablerWiLD: Nature Detectives

Put on your detective hat this summer! Solve mysteries, check fingerprints, and explore the outdoors while enjoying classic BablerWiLD games and activities. Instructor: Community Ed Staff

New! BablerWiLD: Wacky Water Week

It's hot outside! Cool off with a week of water fun at BablerWiLD. Swim in our supervised pool, try the slip 'n slide, and enjoy classic games and themed activities. Instructor: Community Ed Staff

New! BablerWiLD: Survival Week

Construct a shelter, build a fire, and be a survivor! Learn survival skills, try new things, make friends, and enjoy classic BablerWiLD games and activities. Instructor: Community Ed Staff

New! BablerWiLD: Off the Beaten Path

Do you have what it takes to survive in the outdoors? Ready to get a little dirty along the way? Learn to build shelters, make fires, practice basic first aid, and find food while exploring camp in this epic BablerWiLD adventure! Instructor: Community Ed Staff

New! Baking 101

Curious about creating delicious desserts but not sure where to start? Learn the basics of baking and build your skills through hands-on practice. With multiple recipes each day, this camp will have you baking with confidence in no time! Instructor: Community Ed Staff

Basketball Skills Camp

Spend the week with pro instructors learning, practicing, and playing the sport they love: basketball! This program is designed for players who want to improve their skills in a short time. Instructor: TGPS

Batter Up Baseball

Spend the week with pro instructors honing your skills and enjoying the game of baseball! Perfect for players looking to improve quickly while having fun on the field. Instructor: TGPS

Boom, It's Science!

We love science, especially the kind that fizzes, squiggles, grows and goes boom! Each day you'll try some of our favorite experiments and get ready to say, “Wow, that's cool!” Instructor: Community Ed Staff

New! Brick City

Let's build a city! Campers will use their engineering and architecture skills to create city-themed models with LEGO® Bricks and even use custom cars to move people around town. Each camper takes home a custom mini figure. Instructor: Bricks 4 Kidz

New! Camp Curiosity

The camp where questions come to life! Ignite your child's passion for discovery this summer with a dynamic, hands-on experience blending science, art, and adventure. Kids will tinker, explore, and let their curiosity lead the way! Instructor: Community Ed Staff

Camp Remix: Art Studio

Imagine an open art studio where you can try different mediums and methods. Create a watercolor masterpiece, try a tissue paper mosaic, sculpt with air dry clay... the choice is yours! Instructor: Community Ed Staff

Camp Remix: Clay Studio

It's a week of creative fun with clay! Have the freedom to craft whatever inspires you... minifigures, jewelry, mugs or something entirely unique! Once your creations are dry, we'll have plenty of paint and finishing supplies to bring them to life. Instructor: Community Ed Staff

Camp Remix: Craft Studio

Try a week of crafting creations! Share some of your favorite projects with others or create something brand new. We provide all the materials you need like tissue paper, cardstock, glue, scissors, beads, string, etc. Instructors can help with the inspiration, but the creative direction is up to you! Instructor: Community Ed Staff

Camp Remix: Drama Studio

Do you enjoy performing, storytelling or making jokes? Spend time with your kind of people! Choose a short play to perform, try some improv scenes and discuss your favorite plays. Where will the week take you? Instructor: Community Ed Staff

Summer Camp Descriptions

Camp Remix: Engineering Studio

Build and create while our instructors guide you in a challenge or take the week to design your own project. With LEGOs, toothpicks, and an array of building materials, create a bridge, tower, catapult or whatever else you can dream up! Instructor: Community Ed Staff

Camp Remix: Game Studio

Bring your favorite fantasy or board game to camp! Whether you're playing with your own collection or exploring one of ours, it's the perfect opportunity to connect with fellow game. Feeling creative? Let's design our very own board games together! If you love playing games and making friends, this is the camp for you! Instructor: Community Ed Staff

New! Choose Your Own Adventure Week

Join us for a full-day camp packed with swimming, activities, and adventure! Campers will be grouped by age for some activities but can also choose the activities they want to participate in. With options like slime, LEGO, sports, shelter building, and more, there's truly something for everyone. All campers will have the chance to enjoy our pool each day. Instructor: Community Ed Staff

New! Clay Creations: Sculpting Your Imagination

Explore air-dry clay through hands-on projects that teach basic tools, textures, and sculpting techniques. Students will create unique pieces like sculptures, personalized mugs, and more while building artistic skills. Instructor: Planting Seeds Academic Solutions

Claytastic Creations

Let's play with clay! Each day features a new theme and different projects using air-dry clay. Follow along with our designs and create your own. If you love clay, playdough, or art, you'll have a blast with our claytastic creations. Instructor: Community Ed Staff

New! Color Crusaders Unite

This camp is all about the exploration, science, and emotion of color! It's perfect for young artists ready to move beyond the crayon box and dive into the full spectrum of creativity. Instructor: Community Ed Staff

Craft and Create

Welcome to the ultimate imagination camp! Kids explore art techniques, get creative, and make amazing projects. Follow our ideas or create your own. The possibilities are endless! Instructor: Community Ed Staff

New! Crafty Innovators

Crafty Innovators invites kids to see art and science as powerful partners! Get those creative juices flowing as you explore, design, and create unique projects that blend creativity and innovation. Instructor: Community Ed Staff

Crafty Kid Creations

Calling all crafty kids! Let us guide you through cool projects, then build something from scratch during free build time. Want to make a craft your own way? Go for it! Follow along with the instructor or take your creation in any direction. We love seeing the amazing things our campers make! Instructor: Community Ed Staff

Davis Cup Indoor Tennis Camp

Learn tennis fundamentals with professional coaching, enjoy trivia, prizes, and treats, and finish the week with team-style games. Fun for all! Instructor: Andy Davis, John Newcombe Tennis Academy

New! Disney Characters & Star Wars

Build motorized Star Wars models for both the Rebel forces and the Dark Side. Disney fans can enjoy lots of Princesses, Mickey, and Donald too! Experience this stellar, magical adventure. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

New! Dolls, Dresses and Dancing

Whether it's an American Girl doll, Barbie, Labubu, Squishmallow, or anything in between, they're welcome at this camp! Celebrate “everything dolls” with a hands-on week of fun. Make clothing for your doll, create a new doll to take home, enjoy a dance party, and more. Grab your favorite doll and get ready for fun! Instructor: Community Ed Staff

New! Drama and Improv Games

The world's a stage and you are the star! Create characters, act out silly scenes, and giggle your way through fun improvisation games. Thinking on your feet and teamwork make the fun even bigger. Let your imagination run wild! Instructor: Community Ed Staff

New! EnGenius Kids Engineering

Explore engineering and STEM through hands-on, project-based challenges! Students will learn the engineering design process, teamwork, and growth mindset while tackling a new group challenge each class. Activities include marshmallow structures, hovercrafts, and catapults. Instructor: Planting Seeds Academic Solutions

New! Enrichment Counselor-in-Training (CIT)

Interested in working with kids? Join us for a two-week intro to being a Community Ed instructor. In week one at Crestview Middle, you'll build leadership skills, practice teambuilding, and learn about elementary-age students. In week two, you'll be placed at an elementary site to gain hands-on experience alongside our lead instructors. Instructor: Community Ed Staff

New! Expedition Ocean

Did you know much of the ocean is still unexplored? Join us for a deep dive into its mysteries through hands-on activities, ocean-themed crafts, and discoveries about amazing animals, artifacts, and more! Instructor: Community Ed Staff

New! Experimentation Station

Think, guess, test, and analyze! Dive into the scientific method through hands-on experiments. Each day brings new challenges for campers to explore and solve through experimentation. Instructor: Community Ed Staff

Explore Engineering

Build bigger, stronger, and taller! Put on your engineering cap to create, test, and share designs. Explore engineering through hands-on projects, STEM challenges, and more! Instructor: Community Ed Staff

New! Exploring the World Language Offerings of Parkway and Rockwood

Let's explore the languages offered in our school district! Each day of camp will focus on one language and introduce students to basic communication skills. Instructor: Rockwood Language Arts Teacher

New! Fashion Fanatics 3.0

ALL NEW PROJECTS! Calling all fashionistas. Enjoy exciting new projects and activities, no experience needed. Create, design, and learn to make something uniquely your own, then show off your creations in a fashion show at the end of the week! Instructor: Community Ed Staff

Flag Me Down Football

Build confidence and improve football skills! Spend the week with pro instructors learning, practicing, and playing the game. Perfect for kids ready to work hard and see quick improvement. Instructor: TGPS

Summer Camp Descriptions

***New!* Food Trucks: Street Food Around the World**

Do you like art? In this course, you'll explore a variety of art styles from across the Spanish-speaking (or French-speaking) world. We'll study different forms of art from these cultures and enjoy some hands-on creative experiences, too. Instructor: Rockwood Language Arts Teacher

Gymnastics, Ninja & Tumbling Camp

Join us for all the fun with our ninja obstacles, trampoline and gymnastics. Every day includes guided activities as well as supervised free play. Instructor: HI-NRG Gymnastics.

Harry Potter and the World of Wizards

No Muggles allowed! Dive into the magical world of Harry Potter with a week full of wizarding fun. Choose your house, practice your spells, and get ready for all things wizard! Instructor: Community Ed Staff

***New!* Harry Potter LEGO® Building**

Embark on a magical summer adventure at our Harry Potter-themed LEGO® camp! Young wizards and witches will build an enchanted Hogwarts with LEGO® bricks, unlock secret spells, design magical creatures, and construct iconic landmarks. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

Imagination Creation

The best creations come from our imaginations! Whether it's a new animal, a creature from your mind, a roller coaster, or anything in between, we want to create it. Each day has a theme, but campers decide exactly what to make. Follow along with our designs or create your own. The only limit is your imagination! Instructor: Community Ed Staff

***New!* It's a Bird, It's a Plane... It's Science!**

We might not be Superman, but we can make things fly! From catapults to cockpits, this camp is designed for future aviators. Let's see how far and how high we can make things soar! Instructor: Community Ed Staff

***New!* Jedi Training Academy**

Padawans, join us for a week of Jedi training and hone your skills to become a true Jedi. Create your own lightsaber, master basic training exercises, and help bring balance to the Force! Whether you choose the light side or the dark side is up to you. Instructor: Community Ed Staff

***New!* Jewelry from the Earth**

Create eco-friendly jewelry using recycled materials, polymer clay, and resin. Students will design bracelets, rings, jewelry boxes, and keychains while exploring creativity and sustainable art practices. Instructor: Planting Seeds Academic Solutions

***New!* Journey with Brick Sharks**

Dive into a Journey with Sharks! Build LEGO sharks from the Great White to Megalodon, create motorized models and sea life mosaics, and explore the wonders of the deep blue. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

Junior Summer Golf Program

Learn golf the fun way with Operation 36! Juniors start at Level 0 mastering swing, putting, and chipping, then play 9-hole rounds to shoot 36 or better and advance through 6 levels. Weekly classes, drills, and games build skills, confidence, and a love for the game. Instructor: Next Level Golf

***New!* Jurassic Adventures**

Get ready for your very own Jurassic adventure, where the world's greatest beasts roar back to life! This high-energy, immersive class takes you on an expedition into the age of dinosaurs and everything that came with it. Explore your favorite dinos and discover some you may have never heard of. Either way, we're sure to have a roaring good time on this hands-on journey through the Mesozoic Era. Instructor: Community Ed Staff

***New!* Jurassic Brickland**

Get ready for an adventure in Jurassic Brick Land! Build worlds with Brontosaurus, Velociraptors, T. Rex, and more. Learn about dinosaurs and prehistoric animals while showing off your building skills with specialized kits. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

LEGO® Challenge

LEGO® fanatics, get ready for a challenge! Work in teams or on your own and let your creativity shine. With new challenges each day, there's also plenty of time for free building and play. If someone you know can't get enough LEGO® time, this camp is perfect! Instructor: Community Ed Staff

LEGOs, Gizmos and Gadgets

Start with LEGOs, add in marbles, string, balloons and more to create incredible gizmos and gadgets! New challenges will invite kids to race, scoot, swing and soar! Use S.T.E.M. skills to create, problem solve, and have fun! Instructor: Community Ed Staff

LEGOs, LEGOs, LEGOs!

We have a LOT of LEGOs, and it's time to get building! Take on daily LEGO challenges or create your own designs. From following directions to free building, there's something for every LEGO lover! Instructor: Community Ed Staff

***New!* Let's Get Inventing**

Let's explore some famous inventions and their creators! Did you know many inventions are inspired by things found in nature? Let your creativity soar as we discover amazing inventions from the past and create some unique inventions of your own! Instructor: Community Ed Staff

***New!* Magic Makers**

Set the stage and get ready to dazzle! In this beginner magic class, students will learn performance techniques, misdirection, and practice tricks to showcase in a final magic performance. Instructor: Planting Seeds Academic Solutions

Make It Your Own Crafts

Our amazing instructors will introduce a general idea, but where the crafting goes is up to the kids! They can follow along or create something entirely unique. No two crafts will be the same, and that's just the way we like it! Instructor: Community Ed Staff

***New!* Mario Brothers Bricks**

Campers will use LEGO® Bricks to bring their favorite video game characters to life! Build Mario, Bowser, and friends using robots, mosaics, and 3D LEGO® art. Each day is a new adventure as the virtual and LEGO® worlds combine. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

Messy Art Exploration

It's art, it's messy, it's FUN! Be sure to send your camper in old clothes, as we'll be creating with paint, glue, and more. Take home a new masterpiece each day and get ready to make a mess! Instructor: Community Ed Staff

Middle School Basketball Skills Camp

Middle school basketball players, whether new to tryouts or aiming to level up, our pro instructors will help you sharpen skills, learn team strategies, and enjoy enthusiastic coaching. Instructor: TGPS

***New!* Minecraft Bricks**

Enjoy a week of building Minecraft characters with LEGO bricks, creating motorized LEGO builds, and playing the Minecraft computer game. No experience necessary! Two great things that go great together, Minecraft and LEGO bricks. All campers take home a custom mini figure. Instructor: Bricks 4 Kidz

Summer Camp Descriptions

Mixin' Messy Arts

It's art, it's messy, it's FUN! Be sure to send old clothes, as we'll be creating with paint, glue, and more. Take something home each day and get ready to make a mess! Instructor: Community Ed Staff

***New!* Musical Theatre Past and Present**

Step into the dazzling world of Broadway! This is a perfect opportunity for aspiring performers to sharpen their skills and experience the thrill of bringing a story to life on stage. Acting, singing, dancing, and more. Experience the joy of performing acts from some of your favorite musicals from present to past. Instructor: Community Ed Staff

Nature Survival Camp

Do you have what it takes to survive in the wilderness? Spend a week learning essential survival skills like building fires, constructing shelters, and navigating the terrain. Stay safe, explore the outdoors, make new friends, and enjoy a fun-filled adventure! Instructor: Matt McKenzie

Not So Ordinary Art

If you love art, you're going to LOVE this camp! Think outside the box and create truly unique projects. Paint with bubbles, try squirt guns, grab some clay, and let's make something extraordinary! Instructor: Community Ed Staff

On the Move

Unstoppable fun awaits with Adventure Club's On the Move program. This action-packed week hits the road for daily field trips, water parks, natural wonders, and popular area destinations. Each day offers new adventures, big energy, and unforgettable memories.

Orchestra Camp

Bring your instrument and make music with friends at Orchestra Camp! Open to all skill levels, this interactive week includes group instruction, ensemble playing, daily themes, and fun breaks with snacks and recreation. Instructors: Rockwood teachers, Lindsey Jones and Kyle Gilhaus

Ordinary Objects Made Extraordinary

You will be amazed at what you can create with ordinary objects from around your house! Let us show you how to make some amazing creations with step by step instructions, and then see what you can come up with on your own. There is no limit to what we can create! Instructor: Community Ed Staff

Out of the Lines Art Adventures

No need to color inside the lines! Get ready to explore your creativity through coloring, painting, dipping, and drawing, and discover exciting new ways to make amazing masterpieces. Instructor: Community Ed Staff

***New!* Outer Space Odyssey**

Get ready for a thrilling voyage as we navigate the solar system, explore distant galaxies, and uncover the amazing science behind planets, stars, and space travel. Instructor: Community Ed Staff

***New!* Outrageous Art**

Every piece of art is a masterpiece, perfect or not. This week's projects are anything but ordinary as we celebrate creativity, self-expression and experimentation while diving into all things art! Instructor: Community Ed Staff

Paints, Puzzles and Pieces

Enjoy a week of painting masterpieces, building creations, and solving puzzles! Each day brings something new, from mosaics to personalized puzzles. Instructor: Community Ed Staff

Play with Clay

It's time to play with clay! Each day students will use air-dry clay to create unique and original masterpieces. From simple pinch pots to tiny fruit creations, they'll learn basic pottery techniques and have fun every step of the way. Instructor: Community Ed Staff

Pokémon: Cards, Crafts and Creatures

Grab your cards and prepare for an epic Pokémon adventure! Master trainer or beginner, there is fun for everyone! Enjoy Pokémon-themed crafts and creature creations. Instructor: Community Ed Staff

***New!* Popstar Academy**

Calling all future popstars! Make your own microphone, swap friendship bracelets, and sing along to favorite songs. Move, dance, and have fun like a true star! Instructor: Community Ed Staff

***New!* Pre-K Little Builders Construction Zone**

This high-energy, hands-on camp is perfect for our Pre-K engineers and architects! We'll turn the classroom into a fun, safe worksite where kids can build, measure, and create. Instructor: Community Ed Staff

***New!* Pre-K My First Science Camp**

Welcome little scientists! Let's get our brains and hands moving with simple science and amazing experiments. From art projects to bubbles to bags that blow up this class will have our youngest campers excited for more each day! Instructor: Community Ed Staff

***New!* Pre-K Pets, Vets, and Everything Animals**

Do your little ones hug every stuffed animal and dream of talking to backyard critters? Using stuffies and our imaginations, we'll explore pet care, different types of pets, and animals all around us. From safety tips to creating animal masterpieces, this class is perfect for any young animal lover! Instructor: Community Ed Staff

***New!* Preschool & Kindergarten Gymnastics Camp**

Fitness, education, and fun! This camp includes balance beam, bars, floor, tumble traks, arts & crafts, ziplines, parachutes, games, and much more. Instructor: HI-NRG

Ready, Set, Cook!

A cooking class like no other! Each day features a different cooking competition. Practice your skills, wager your ingredients, and get ready to eat. Instructor: Community Ed Staff

Say Yes to the Mess!

One of our most popular camps is back and bigger than ever! More goop, more paint, and MORE MESS!!! Get ready to get creative, silly and messy with the non-stop class that is sure to tap into your sense of adventure. Instructor: Community Ed Staff

***New!* Science of the Stars**

Unravel the universe this summer! Blast off into a world of cosmic discovery. Perfect for young astronomers or anyone who looks up at the sky in wonder. Explore planets, galaxies, constellations, and dive into the science of the stars! Instructor: Community Ed Staff

***New!* Science Seekers Unite**

"What's that? How does it work? Why is it like that?" Finally, a camp for curious campers who question everything! Try a new science experiment each class and see if you can figure out the "what" and "why" behind our projects. Instructor: Community Ed Staff

***New!* Session Strategy**

Who likes a little competition in their life? This week of strategy and gameplay is perfect for anyone looking for hands-on fun! Try some of our favorite summer games, create your own board game to share, and more. Campers will go home with games they can play with friends again and again. Who needs TV when you have session strategy! Instructor: Community Ed Staff

Summer Camp Descriptions

Silly, Slimy Science

It's stretchy, squishy and slimy! Mix, stir, and create wacky science projects. Each day, make slime, experiment, and become a budding scientist.
Instructor: Community Ed Staff

New! Skyhawks Basketball

Dribble, shoot, score with Skyhawks Basketball! Develop skills in passing, shooting, dribbling, defense, and teamwork while having fun. Instructor: Skyhawks Sports

Skyhawks Cheerleading

Young athletes will learn cheers, hand and body movements, and jumping techniques while having fun and building teamwork and leadership skills.
Instructor: Skyhawks Sports

Skyhawks Lacrosse

Learn the fundamentals of stick handling, cradling, passing, and shooting in a fun, non-checking environment. All equipment is provided, but participants may bring their own lacrosse stick. Instructor: Skyhawks Sports

New! Skyhawks Pickleball

Play Skyhawks Pickleball, the fastest-growing paddle sport! Learn groundstrokes, volleys, and serves while building teamwork, sportsmanship, and confidence.
Instructor: Skyhawks Sports

Skyhawks Track and Field

Dash, jump, and throw with Skyhawks Track & Field! Learn track and field basics, try events like javelin, discus, and hurdles, and build skills and sportsmanship.
Instructor: Skyhawks Sports

New! Skyhawks Volleyball

Dig deep with Skyhawks Volleyball! Learn passing, setting, spiking, hitting, and serving while building teamwork, leadership, and confidence.
Instructor: Skyhawks Sports

Slime Science

Dive into hands-on science with a messy, creative slime adventure! Kids will experiment with textures, colors, and concoctions while making fun, gooey creations.
Instructor: Planting Seeds Academic Solutions

New! Snacking Made Easy

Tired of Pop-Tarts and the same old snacks after school? Learn to snack like a pro with easy, delicious recipes! Discover kitchen safety while creating tasty treats you and your friends will love. Instructor: Community Ed Staff

So. Much. Slime.

The name says it all! With new slime projects each day, this exciting summer adventure is perfect for any young slime enthusiast. Add in art and other fun science activities, and you have the ideal class for anyone who loves slime and adventure. Instructor: Community Ed Staff

New! Songwriters in the Making

Explore the basics of songwriting as students create original songs through melody, rhythm, and lyrics. This fun, creative class encourages self-expression and helps young musicians find their unique voice. Instructor: Planting Seeds Academic Solutions

Space Explorers 2.0

This popular camp is back with new activities and discoveries! Space is huge, and there's always more to explore. Join us for fun with planets, stars, asteroids, and more. This camp is perfect for any young space explorer. Instructor: Community Ed Staff

Spies and CSIs

Put your detective skills to the test! From solving tricky puzzles to analyzing fingerprints, discover the world of espionage. Navigate through a "laser" obstacle course, crack codes, and uncover the secrets of what it takes to think like a true spy. Instructor: Community Ed Staff

New! Spy School

Welcome to Spy School! A top-secret summer enrichment program where you'll trade your textbooks for a toolkit of espionage skills. This isn't just a camp; it's a mission to sharpen your mind, decode challenging puzzles, and master the art of being a secret agent!
Instructor: Community Ed Staff

St. Louis Scott Gallagher Soccer

Learn proper technique, improve individual ball skills, participate in team building exercises and gain self-confidence and abilities on the ball.
Instructor: St. Louis Scott Gallagher Soccer Club

SummerLink

Discover new adventures every week, including sports activities, creative arts, S.T.E.A.M. projects, life skills, a weekly field trip and more! Full-day camps are available for nine weeks at multiple Parkway and Rockwood locations.

Swim School

Swim School offers learn-to-swim classes for children ages six months and up. Swimmers are assessed and placed by skill level, progressing at their own pace while building proper technique, confidence, and safety in the water. For more information, please see page 25.

New! Theatre Skills

This fun camp focuses on developing advanced theatre skills for aspiring actors. Through a one-act play, campers will practice blocking, stage directions, projection, costume construction, and directing. At the end of the week, they'll showcase their play and the skills they've learned to friends and family.
Instructor: Community Ed Staff

Think It, Build It, Break It!

Dear future engineers, can you build the strongest bridge or the tallest tower? First, design and build your project, then let's see how it holds up under testing! One thing is certain, your designs will be pushed to the limit!
Instructor: Community Ed Staff

New! Ultimate Camp Sampler

A space camp, maybe a science camp, no, an art camp! Let's do them all in one week! Each day features a different theme and topic. We'll try some of our campers' favorite activities from previous summers, all in one exciting week! Instructor: Community Ed Staff

New! Wacky World in Motion

Get ready for a week of action-packed, hands-on science that will explore the world of physics through projects, games, and everyday motion! Create your very own rollercoaster, get crafty with simple machines, make things soar with catapults and so much more!
Instructor: Community Ed Staff

New! Weather Wonders Workshop

Step right up and join the Weather Wonders Workshop, where we explore the most exciting, beautiful, and sometimes wild things the sky can bring! Each day is filled with hands-on activities to help us understand the weather, including its most dangerous and breathtaking phenomena. Instructor: Community Ed Staff

Welcome to Middle School

Feeling unsure about middle school? Tour different areas of a middle school building, learn about daily schedules, time management tips, making smart decisions, extracurricular opportunities, lockers and more. Each day focuses on a new topic, offering valuable insights to help you transition smoothly and confidently. Instructors: Rockwood Middle School teachers

New! Wildlife Rangers

Channel your inner Wild Kratts and get ready for adventure! Each day we'll investigate and discover new animals, environments, and amazing adaptations.
Instructor: Community Ed Staff

Get Outside with BablerWiLD!

Trade screen time for sunshine! Explore your adventurous side, connect with nature, and make new friends while having a blast outside at BablerWiLD full-day camps!

Join us for nine exciting weeks of fun and adventure this summer!

BablerWiLD is located within Babler State Park!
Bus transportation option is available.

CAMP RE-MIX: CAMP YOUR WAY

Looking for a fun, laid-back way to spend your summer with friends? Join Camp Remix, where **YOU** get to choose the activities and projects. Each week has a unique theme to inspire the fun, but the direction is totally up to you!

Choose from art, drama, crafts, engineering, clay work and gaming with weekly camps this June through July!

MAKE THIS SUMMER YOUR OWN!

Morning and afternoon experiences for middle school students all summer long at Crestview and Parkway Central middle schools.

All Abilities Camp

This camp is designed for youth with intellectual or physical impairments, offering outdoor and indoor activities that promote social, emotional, cognitive and physical development. Through recreation and leisure, this camp enhances quality of life by fostering physical fitness, independence, and socialization in a traditional summer camp setting.

August 4-7 • 9 a.m.-12 p.m. • Babler State Park

Have fun and celebrate our abilities!

PARKWAY EARLY CHILDHOOD

Parents as Teachers (PAT)

Prenatal to five years

Give your child the best possible start with this program which includes personal visits with a degreed and certified parent educator, annual health and developmental screenings, group connections and a resource network, parent talks and connections to community resources. Free to Parkway residents. Call 314-415-6973.

Partners In Play

Give your child the gift of music, art, movement and more with these affordable classes. Your little one will be accompanied by a lucky grown-up to enjoy classes together. Topics include yoga, science, math and other high interest, fun subjects. There are morning, afternoon, and evening options available and open to anyone. Call 314-415-6954.

Kids Morning Out Program

This is a fun and budget-friendly preschool experience for children who turn two years old by July 31. Parents drop off their children for this two-hour and fifteen-minute program that blends developmentally appropriate curriculum with opportunities for social growth. Classes taught by certified teacher and teacher's assistant. Call 314-415-6954.

Preschool Programs

Preschool is offered as a full-day preschool program for students 3-5 years old. Our half-day preschool program is three hours long and offered between 2-5 half days with morning and afternoon options. Our full-day preschool program is an eight-hour program with optional before- and after-care, offered five full-days. Both programs are taught by a certified educator. Children must be 3 by July 31 to enroll. The online lottery begins in mid-February. Please check our website or call 314-415-6970 to inquire about current openings.

Play-Based Screenings

This child-friendly approach to screening allows parents to learn about their child's overall development. Children ages 3-5 years play in small groups to assess developmentally appropriate skills in communication, motor, and social-emotional behavior. Hearing and vision screenings are included. Call 314-415-6969.

Special Education Classes

Classes and therapy are available for 3-5 year olds who qualify for special education services. Offered at St. Louis County Special School District in various locations. Free to Parkway residents. Call 314-415-4983.

ROCKWOOD EARLY CHILDHOOD

Parents as Teachers (PAT)

Prenatal to five years

Our early childhood program gives your child the best possible start including a degreed and certified parent educator, annual health and developmental screenings, group connections and a resource network. Free to Rockwood residents. Call 636-891-6276.

Developmental Screenings

Health, Hearing, and Vision (3 months to 3 years)

Review of overall health plus vision/hearing assessment.

Developmental screening (3 years to Pre-K)

Assess: motor skills, concepts and language plus hearing/vision.

Free to Rockwood residents. Call 636-891-6200.

Mini Preschool

Mini Preschool is a tuition-based preschool program for children who turn 30 months between August 1, 2025 and July 31, 2026. Short-term classes focus on social development and interactive play. Check the early childhood website for online enrollment periods (May/November). Call 636-891-6260.

Half-Day Preschool

Ages 3 to 5

This school term tuition-based program provides a variety of options for families looking for a three-hour preschool. All teachers are certified by the State of Missouri. Class size is limited to 14 to promote student/teacher interaction. Children must be at least 3 by July 31, 2026. Enroll online or call 636-891-6260.

Full-Day Preschool

Ages 3 to 5

This tuition-based full-day program combines preschool and childcare for families needing full-day services. School year teachers are certified by the State of Missouri. Children must be at least 3 by July 31, 2026. Enroll online or call 636-891-6260.

Special Education Classes

Ages 3 to 5

Classes and therapy are available for 3-5 year olds who qualify for special education services. Call 636-891-6200.

Early Childhood Summer Learning and Fun with Community Ed!

ADULT Education & Literacy

Adult Learning Center

The Missouri Adult Education and Literacy (AEL) program provides assistance to help Missouri adults get the basic skills they need to be productive workers, family members and citizens. All teachers hold Missouri Adult Education certification.

High School Equivalency Preparation Classes & Adult Basic Education

Need a high school diploma? Looking for ways to improve your skills?

The Parkway-Rockwood Community Ed Adult Learning Center offers a variety of free adult education services for ages 17 years and older. Classes are individualized. Students work at their own pace on the skills they need.

In classes, YOU will:

- Improve basic reading, writing, and math skills
- Develop workforce skills
- Prepare for the Missouri High School Equivalency Tests (HiSET/GED)
- Prepare for Postsecondary Education
- Prepare for the WorkKeys and job placement tests

By attending classes, YOU can:

- Invest in your future
- Improve your skills
- Earn your high school diploma/credential
- Qualify for a better job
- Get into college or a technical school

Class Schedule and Locations

Spring Session: Registration for spring GED/High School Equivalency classes will continue through March 19.

Summer Session: Registration for summer classes will open on March 20. Classes begin June 29 and will continue through August 20. The summer class will be a short 7-week session; students must commit to coming every day the class is in session. All students must complete the three-day orientation and testing session that begins June 29. If a student is unable to begin on June 29, they must wait until the fall to begin class. Once our office receives the application, a staff member will contact the student to confirm receipt of the application. They will receive a reminder email about testing and orientation the last full week in June. Students may sign up online or by contacting the AEL office. Call or text 314-415-4940 for information.

HELP ADULTS ACHIEVE THEIR GOALS THROUGH LEARNING. WE'RE HIRING PART-TIME INSTRUCTORS AND STAFF FOR:

- Adult High School Equivalency Teacher
- Adult English as a Second Language Teacher
- Adult Education Teacher
- Intake Registrar/Testing Proctor

Make a difference. Teach, guide and inspire.
For more information, please call or text 314-415-4940.

English as a Second Language

Are YOU ready to succeed in the United States?

Build the confidence you need to interview for a job, apply to college, or talk with your doctor or child's teacher. Don't let fear hold you back. Strengthen your English skills and open doors to new opportunities.

Register now for FREE English classes to develop and/or improve your English grammar, reading, writing and speaking skills.

Learn more about the benefits of our free English as a Second Language classes at prcommunityed.org.

Class Schedule and Locations

Spring Session: Registration for spring English as a Second Language classes will continue through March 5.

Summer Session: Registration for summer classes will open March 6. Classes begin July 6 and continue through August 20. The summer class will be a short 7-week session; students must commit to attending every class during the session. All students must sign up and complete an orientation and testing session. Orientation and testing is only offered on June 22, 23, 29 or 30. If the student is unable to attend one of the orientation and testing sessions, they must wait until the fall to begin class. Once our office receives the application, a staff member will contact them to confirm receipt of application. Students may sign up online or by contacting the AEL office. Call or text 314-415-4940 for information.

Participation Waiver

In exchange for the Parkway-Rockwood Community Education Program sanctioning the Program and providing district-paid staff members or other designees to supervise the Program, I hereby agree as follows:

1. I hereby acknowledge that I understand the nature of the Program, and believe that I am qualified and in proper physical condition to participate in the Program. I further agree that if at any time, I believe my participation in the Program is unsafe with respect to my physical condition, the equipment, or facilities, it shall be my responsibility to immediately discontinue my participation in the Program.
2. I further acknowledge that I am aware that participation in the Program involves the risk of illness, serious bodily injury (including the possibility of permanent disability, paralysis, or death), which may be caused by (a) my own actions or inactions, (b) the actions or inactions of others participating in the Program, (c) the condition of the equipment and/or facilities at which the Program is located, or (d) the actions or inactions of the entities and persons identified below; and I fully accept and freely assume all such risk and all responsibility for losses, costs, and damages I may incur as a result of my participation in the Program.
3. I acknowledge and agree that the Parkway-Rockwood Community Education Program may revise its procedures at any time in accordance with guidance and protocols issued by the Centers for Disease Control and Prevention, the Missouri Department of Health and Senior Services, the Missouri Department of Elementary and Secondary Education, and the St. Louis County Department of Public Health, due to a spread of a contagious or spreadable illness, including the participation restrictions set forth above, and further agree to comply with the Parkway-Rockwood Community Education Program's procedures at all times during my participation in the Program.
4. Accordingly, I hereby release and forever discharge, and waive the right to pursue any and all claims against the Parkway and Rockwood School Districts, together with their Boards of Education, officers, employees, volunteers, and agents (collectively, the "Releasees") of, from, and against all liability, claims, demands, losses, or damages for any death, illness, personal injury, or property damage arising out of or resulting from my participation in the Program, even if such death, illness, injuries, or property damage are alleged to be in whole or in part directly or indirectly the fault of or caused by the negligence or carelessness of the Releasees. I further agree that if, despite this release and waiver of liability agreement I, or anyone on behalf of myself, makes a claim released in this agreement, I will indemnify and hold harmless each Releasee from any and all litigation expenses, attorney fees, loss, liability, damage, or cost they may incur as the result of such claim.
5. I agree that in an emergency, any Parkway or Rockwood representative may transport or authorize the transportation of myself to a hospital/medical facility and I authorize any physician or other medical personnel to carry out any diagnostic procedures or emergency care deemed necessary. I understand that the cost of medical attention and ambulance are my responsibility.
6. I acknowledge I may be required to provide any pertinent information concerning myself (i.e. allergies, health conditions, disabilities, special needs, etc.). I acknowledge that without full disclosure of my needs, the Parkway-Rockwood Community Education Program may not be prepared to ensure my success and safety in the Program. I acknowledge that information about myself provided in this registration may be used by a Parkway or Rockwood representative or any individual or organization identified by the Parkway-Rockwood Community Education Program as needed in order to effectively execute the Program. I acknowledge my registration in the Program may not be activated until all pertinent information has been submitted to Parkway-Rockwood Community Education.
7. I acknowledge and agree to the fees as outlined in this registration and that I am not accepted in the Program until I receive confirmation from Parkway-Rockwood Community Education.
8. I acknowledge that from time to time, a Parkway-Rockwood Community Education employee/designee may photograph or videotape myself while involved in a Parkway-Rockwood Community Education Program or activity. These photographs or videotapes will solely be used by Parkway and Rockwood for the promotion and marketing of programs and activities and will not be sold. I understand that it is my responsibility to notify the Parkway-Rockwood Community Education Program in writing if I do not wish to be photographed or videotaped.

I have read this agreement as well as all Parkway-Rockwood Community Education, Parkway and Rockwood School District regulations, policies, procedures and consequences, fully understand its terms, and have voluntarily entered into this agreement of my own free will based only upon the terms and conditions included herein.

Registration

Available online at www.prcommunityed.org

Registration may also be submitted by mail.

Programs are filled on first-come, first-serve basis.

An adult registration form is available on page 33.

Fees and Cancellation Policy

Most Community Ed programs are fee-based, as we are self-supporting. Unless otherwise noted, all necessary materials and supplies are included in the registration fee. When possible, online registration is encouraged. If registering by mail, include fees with the registration form. Checks should be made payable to Parkway-Rockwood Community Ed. Returned or late payments are subject to additional fees as determined by Community Ed and can result in removal from the program.

Cancellation of classes/programs will be at the discretion of Community Ed. If a class/program is cancelled due to low enrollment, participants will be notified and receive a full refund. Customer-initiated cancellations made at least three business days prior to start of class or program may qualify for a refund minus a 5% processing fee. Customer-initiated cancellations made two or less business days prior to start of class/program or prior to second meeting of class/program with multiple meeting dates may qualify for a 50% refund. No refunds will be made following the second meeting of class/program. Adventure Club, Early Childhood, Rockwood Thunder Volleyball, Gateway Swim Club and Smoky Mountain Adventures have separate cancellation policies.

Nondiscrimination Policy

The Parkway and Rockwood school districts have defined policies prohibiting discrimination against participants in programs and activities. To view the complete nondiscrimination policy of each district, visit parkwayschools.net (Parkway) or rsdmo.org (Rockwood). Individuals with disabilities who require accommodations should call 636-891-6644. Reasonable accommodations will be made if they do not fundamentally alter the nature of the program.

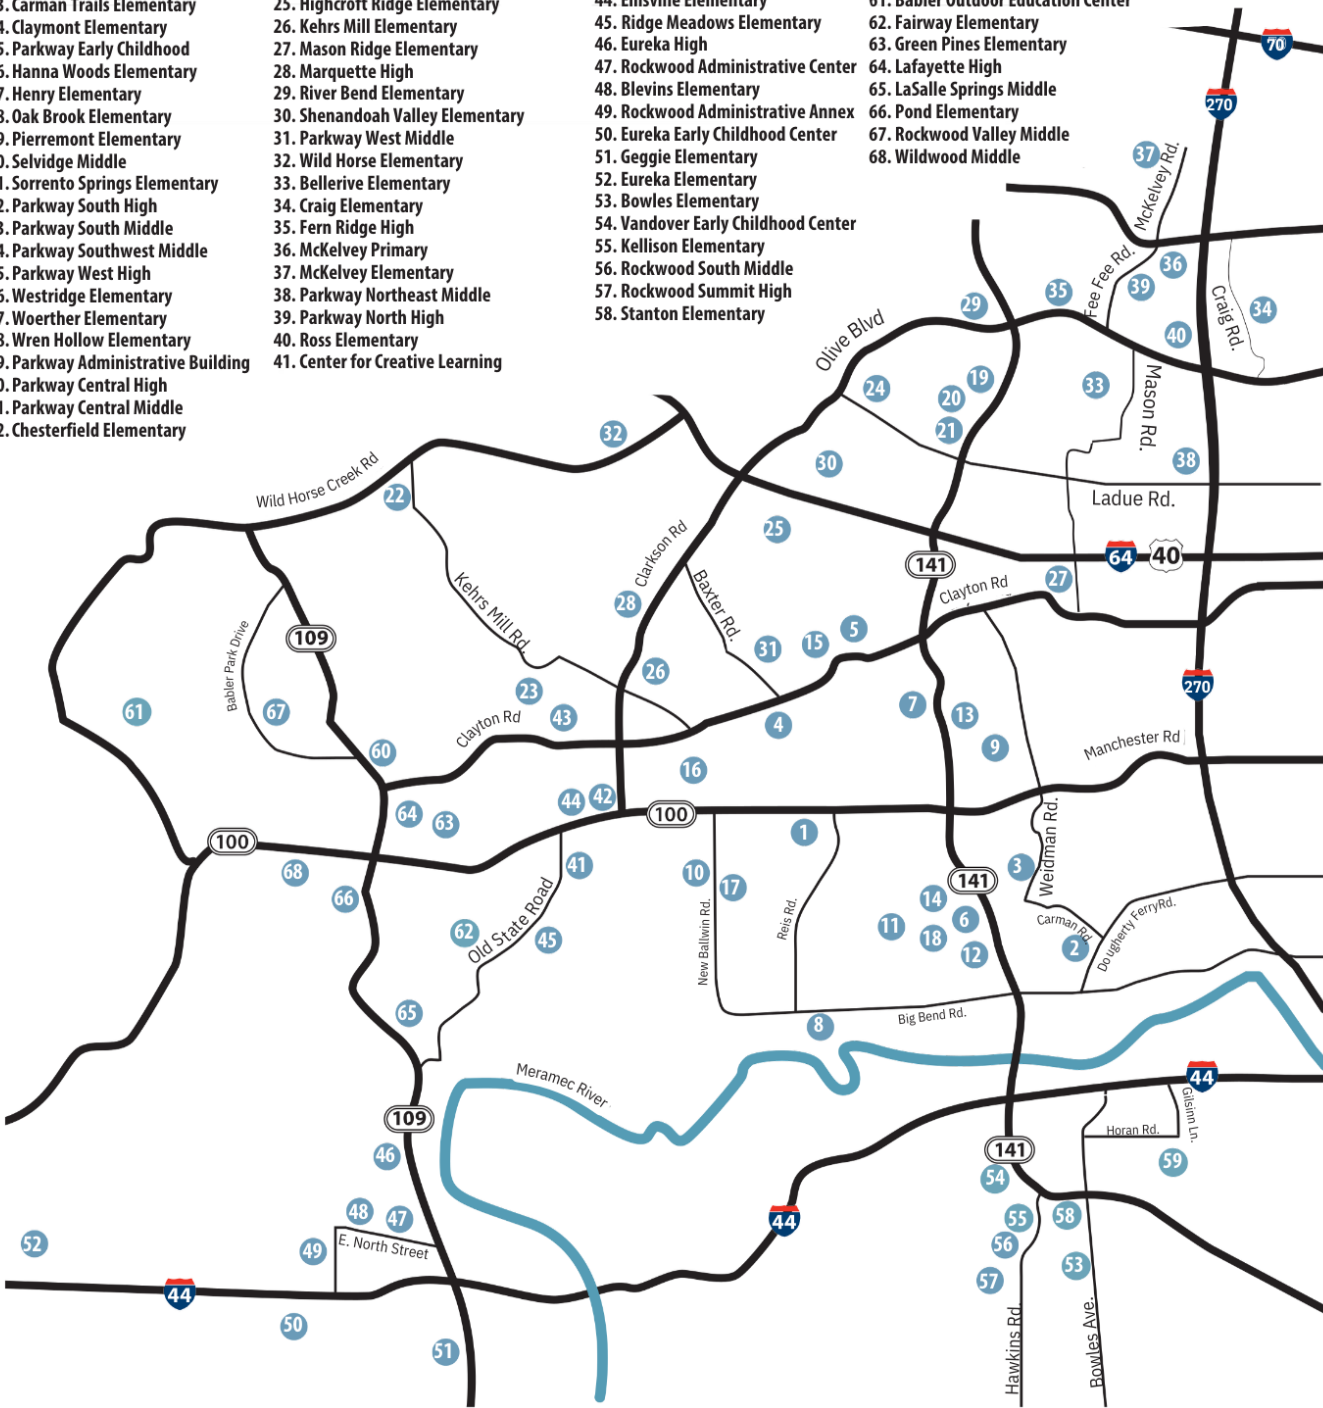

HEADS UP!

Community Ed staff have made every effort to assure that the information distributed in this program guide is as accurate as possible. However, circumstances may require that adjustments be made to programs, fees and schedules. Community Ed reserves the right to make these changes. Online registration pages for each class will be updated accordingly should changes be needed.
