Dear Parent/Carer,

Year 8 Parents' Evening – School Cloud Online Appointment Booking

Firstly, I would like to take this opportunity to thank you for your continued support as we progress through this current academic year. We hope that you were able to attend our Year 8 Options Evening on Thursday 22nd January 2026 and found the evening both informative and a helpful insight into the Year 8 options process. This evening was designed to highlight the subject choices available to students as they continue their education into Year 9.

In order to provide feedback on your child's current academic progress in Year 8, I would like to invite you to attend our Parents' Evening on **Thursday 12th February 2026**. This will be an online event, where parents will have the opportunity to meet with their child's teachers to discuss their current progress and attainment.

Appointments can be made from **Tuesday 3rd February 2026 at 7pm** and will close on **Tuesday 10th February 2026 at 4pm**. Should you wish to make any changes after this date please contact the school office.

Due to the number of appointment slots available on the evening, we ask you to book only one appointment with your child's science teachers and they will discuss all three subjects (Biology, Chemistry and Physics).

Ms Hawkes, our SENCO, will also be available for meetings during the parents' evening event, if you would like to book a SEN specific appointment these can also be made via school cloud.

Please visit <https://southamcollege.schoolcloud.co.uk> to book your appointments. A short guide on how to book appointments is attached with this letter. **Appointments are on a first come first serve basis.** If you have any specific queries related to the booking of these appointments, please contact a member of our Admin team at the College and they will be happy to assist you. Thank you again for your continued support and we look forward to seeing our students and you at parents evening.

Kind regards,

Ms J Sabin
Head of Year 8
