#### **4) If the password doesn't work**

If "Learn2025" does not work, reset the password:

1. On the Clever login page, select "Get help logging in".
2. Click "Reset your password".
3. Enter the student's ORA email address (**2000xxxx@oradistrict.org**), then click "Send".
4. Sign in to the student's ORA Google account and open the email from Clever Support.
5. Use the password reset link to set a new password, then sign in to Clever again.

#### **5) Device recommendation**

For best results, students should use a Windows, macOS, or ChromeOS device.
