2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

District Vision

All Tahoe Truckee Unified School District scholars will be provided challenging and engaging learning opportunities in order to thrive and to be successful in a globally competitive age. This goal will be accomplished through collaboration with students, parents, staff, and the community, united in dedication to our children's future. Highly skilled, motivated and caring principals and teachers will engage scholars in effective and innovative instruction through a rigorous and relevant curriculum that promotes mastery of meaningful content, creativity, critical thinking, teamwork, problem solving, respect for diversity, the ability to communicate in multiple languages, and the effective use of technology. A culture of quality, accountability, responsibility, and respect shall characterize the school district.

Community

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 4,378 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

School Description

North Tahoe School is a 6-8 school located in Tahoe City, California overlooking the great Lake Tahoe. Our school serves approximately 295 students with a rich diversity of backgrounds and learning strengths. North Tahoe School prides itself on the core values of being safe, respectful, responsible and kind. We believe that the culture we have developed allows all students the opportunity to learn at high levels in order to be prepared to graduate from high school and be college and/or career ready. North Tahoe School also supports our two major feeder elementary schools focus areas of Two Way Immersion and Science while building our community together.

In addition to offering high quality learning opportunities in the core areas of math, science, social studies and English, we also utilize a daily 30 minute enrichment period in order to meet the individual needs of students whether it be through academic support or meeting the needs of our accelerated learners. We also believe in the importance of supporting the social and emotional needs of each student. This support is approached through our weekly Second Step curriculum, our Wellness

Center and through our counseling staff and partnerships within the community.

Lastly, we offer several enrichment opportunities at North Tahoe School. These include Art, STEAM, Band, AVID, and Physical Education during the school day as well as Jazz Band, several sports teams, Eco-Action and countless field trip offerings with the support of Sierra Watershed Education Partnership (SWEP). We are constantly working together with our students, parents, PTO and community stakeholders to provide the best education possible.

Mission Statement

North Tahoe School is committed to creating a safe, respectful and responsible environment where all student achieve academic success through continual effort and growth. The committed work of our school community will result in all students being college and/or career ready for the 21st Century and prepared to be thoughtful and productive citizens.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parent and community involvement is what makes our schools thrive. Our North Tahoe School Parent Teacher Organizations (PTO) meets monthly to support school needs both financially as well as through volunteer work. The PTO supplies resources for our students, whether for enrichment, fun, field trips, clubs, academic recognition or athletics. Our parents (community) supported the passing of Measure AA to provide additional funding for enrichment teachers, technology and learning materials.

Our parents also find opportunities for involvement through Site Council, reviews of school safety plans, and ELAC meetings for parents of second language learners. Parents are involved through regular communication in weekly robo calls and emails, as well as postings on our school website, Facebook, and Instagram. We offer opportunities through student-led conferencing, school portfolio nights, daily access to Aeries (student management system), and regular progress reports.

North Tahoe School - Parent Involvement Policy
A Laker System in Balance

- 1. Follow directions the first time given.
- 2. Practice active listening
- 3. Use respectful tone and language with everyone.
- 4. Be your best self!

Parent's Jobs:

- Establish a regular time and place for homework, review, and practice.
- Establish a routine that allows for consistency with support materials available.
- Provide academic support and assistance while checking and verifying academic standing.
- Encourage literacy development by supporting daily reading at home.
- Ensure students attend school regularly (attendance matters!), eat a healthy diet, get adequate sleep, and monitor recreational technology use.
- Establish logical consequences for noncompliance and follow through.
- Communicate with your child and their teachers/about school, socially and academically.

Student's jobs:

- Keep track of books, materials, and assignment timelines.
- Create a routine to have all materials each day (charged Chromebook, pen/pencil, paper, books, etc.).
- Turn high-quality work in on time, advocate for yourself, and monitor your own academic progress.
- Read every day, for enjoyment and literacy development.
- Attend school every day, eat healthy food, get 6-8 hours of sleep, and limit recreational screen time.
- Accept responsibility for grades and behavior, and understand consequences.
- Communicate with your family and teachers/NTS staff about school, both socially and academically.

2025-26 School Safety Plan

Senate Bill 187 ensures that all California public schools, grades K-12, work in cooperation with local law enforcement, community leaders, parents, pupils, teachers, administrators, and other persons in the prevention of campus crime and violence, and in developing comprehensive school safety plans that target the safety concerns identified through TTUSD's systematic planning process which involves Truckee Elementary School's Site Safety Committee, the site's Site Safety Lead, the TTUSD District Safety Committee, participation in the Youth Task Force, and other established community collaborations and partnerships.

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 4300 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

The School Site Safety Plan is annually reviewed by March 1 by site administration; revisions are made based on review and input by site leadership, School Site Council, ELAC, local emergency organizations, California School Employees Association representatives, and Tahoe Truckee Education Association representatives. The Safety Plan is reviewed with all staff members at the beginning of each school year. Key elements of the Safety Plan focus on the following:

- (A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)
- (B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)
- (C) School Suspension, Expulsion and Mandatory Expulsion Guidelines
- (D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)
- (E) Sexual Harassment Policies (EC 212.6 [b])
- (F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)
- (G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2)
- (H) A Safe and Orderly School Environment Conducive to Learning (EC 35294.2)
- (I) School Discipline Rules and Consequences (EC 35291 and EC 35291.5)
- (K) Hate Crime Reporting Procedures and Policies
- (J) Procedures to Prepare for Active Shooters
- Procedures for Preventing Acts of Bullying and Cyber-bullying'
- Cardiac Emergency Response
- Instructional Continuity Plan (ICP)
- SAFE Act Notification Procedures Plan
- Procedures Regarding Pupil Smartphone Use During Emergencies

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Evacuation, Shelter-in-Place, and/ or Duck/Cover/Hold drills are conducted on a monthly basis throughout the school year. In addition, Truckee Elementary participates in monthly ALICE drills including enhanced lockdowns, evacuations to off-site rally points and counter activities to prepare for an armed intruder event. isaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire, disaster, and intruder drills are conducted on a regular basis throughout the school year.

Professional Development

Educational research supports that the most critical factor contributing to a student's success in school is the quality of the teaching. Tahoe Truckee Unified School District better ensures high level teaching and learning via research-based professional development (PD.) A variety of options are available and range from formal-type workshops/seminars and informal types such as collaboration among colleagues, independent reading, observing a colleague's lesson.

The frequency of PD varies with the structure and purpose. In addition to regular school-based Professional Development on minimum days, the last 2 years have included 3 days per year of math curriculum and ELD training for math teachers at elementary and secondary levels, and ELD PD for "specials" teachers (PE, Music, Intervention, Language, etc.)

This table displays the number of school days dedicated to staff development and continuous improvement.
