Our Partners at Maize Road Baptist Church (MRBC)

A little bit about MRBC... They are an invaluable resource to our school during our events and supporting our families beyond the school environment. Last year they allowed our 4th and 5th graders to perform both choir and string performances in their beautiful space with stellar acoustics, which helped showcase our amazing student body talent. At our PTO meetings, MRBC member, Andrea Hecker, joins and relays information to the congregation to help in any way shape or form. We have many families that have found solace in leaning on MRBC in the past and this event is a great way to help your families as well as seeing what Maize Baptist Church is all about.
