December 1-5, 2025

Principal's Message

Hope everyone enjoyed their Thanksgiving break! We are excited to finish the year strong as we head into the final three weeks before winter break. This is an important time for learning, and every day truly makes a difference. Teachers are diving into key standards, reviewing important concepts, and preparing students for a successful second half of the year.

We also had a wonderful visit from our Superintendent and Board Trustees Tanaka and Needham. Their time on campus went very well, and they were able to see firsthand the hard work, positive culture, and strong learning happening in our classrooms.

Thank you for helping ensure your child arrives on time, ready to learn, and stays focused through these next few weeks. Let's work together to make this a productive and positive end to 2024!
