Landell Weekly Communication

October 13-17, 2025

Principal's Message

We are currently experiencing some technical difficulties with our emailing system, which is why you did not receive our weekly communication last week. The district is working closely with the messaging company to restore full service as soon as possible. In the meantime, the district will send out our weekly updates on our behalf. Please continue to check the school website regularly for the most up-to-date weekly information in case there are any further disruptions.

Camp Landell was a huge success! It was wonderful to see our Landell community come together to share in such a fun and memorable school event. A big thank you to Mrs. Lisa Cai for organizing the event, our amazing PTA, and the many volunteers who helped make it possible. These events truly can't happen without your support!

Information

Landell Literacy Night- October 14- 5:30-7:00 p.m.

- Literacy night is an opportunity to come to campus and celebrate reading. Students will be able to rotate through three literacy stations where they can take an AR test in the library, read a book in the multi-purpose room, and participate in a literacy activity in the stem lab. We hope to see all our families come to enjoy this monthly event!

Make-Up Picture Day- Wednesday, October 15

- Make-up picture day is Wednesday, October 15.

Celebrations At School

- We'd like to remind families of our school's policy on classroom celebrations. Each class may have up to two school-identified celebration parties per year. Special parties for birthdays or other occasions are not permitted, including bringing or sending food items to share with classmates.
- Some classrooms may acknowledge birthdays as part of their calendar or morning activities. If you would like to honor your child's birthday, consider donating a book or classroom item in their name. Please coordinate any birthday acknowledgments in advance with your child's teacher.
- For more information please review our full Parent Handbook available on our school website.

School Communication

- A letter was recently sent to families outlining the proper forms of communication provided by the school and district office. We've received reports that some parents are getting incorrect information from unofficial sources, such as "WhatsApp" group chats.
- Please remember that all **official school information** will come directly from the school, district, or your child's teacher. If you ever have questions or are unsure about something you've heard, don't hesitate to contact the main office for clarification. We want to ensure all families receive accurate and consistent information.

Reflections Program 2025/26- Due October 14!

- Unleash creative talents and be inspired! Students can express themselves imaginatively in their artwork!
- All submissions need to be in by **October 14, 2025. We are unable to take late submissions.**
- For more information please reach out to Milan Patel at reflections.milanpatel@gmail.com
