Kidstop

What is Kidstop?

Osseo Area Schools' Community Education Kidstop program offers a choice-based, high-quality, and enriching school-age care experience for children in kindergarten through fifth grade.

Everything we do keeps your child in mind. Our choice-based programming lets children decide how they want to spend their time, helping them build independence and leadership skills.

Kidstop is open on school days from 6:30 a.m. until the start of school time, and from the end of school time until 6 p.m. Kidstop is also open most non-school days.

Program dates: Tuesday, September 8, 2026 through Thursday, June 10, 2027.

Tuition includes a morning breakfast and an afternoon snack that follow Osseo Area Schools' food and nutrition guidelines.
