2023-2024 CLUSTER PRIORITIES

|                                                                                                                                                                                          |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Priority 1:</b><br>Prioritize opportunities for families and to engage and connect across the cluster.                                                                                |
| <b>Priority 2:</b><br>Recruit, retain, and engage leaders and staff.                                                                                                                     |
| <b>Priority 3:</b><br>Identify ways to minimize the achievement gap between subgroups by prioritizing the whole child and by valuing multilingual programs and student support services. |
