Review and provide feedback on initiatives that impact or involve the cluster. Budget: Concerns as we enter the FY27 budget process. Attendance: How is attendance looking at your school and what is working?		

I. Discussion Items

a. Budget-Concerns as we enter the FY27 budget process

- Principal Edwards from Garden Hills mentioned how we need to focus on getting the projections right on numbers of students in order to not change/ upset the current school year. (Teachers having to be moved, classrooms shutting down, etc.)

b. Attendance-How is attendance at your school and what is working?

- A few schools went over how they celebrate attendance successes and really reaching out to parents regarding attendance. With these things in place, grades and attendance have improved.

c. Other-Is there anything else your team would like us to know?

- No answer provided.
