## **Course Registration Guide**

### **Tips:**

- »» Check your credits and graduation requirements – make sure you are on track to graduate.
- »» Look at the classes you plan to take in the future to see if there are prerequisites that you need to take now.
- »» Think about what you want to do after you graduate and take relevant courses. If you don't know what you want to do, try something new to see if it interests you.

### **GRHS Graduation Requirements**

**English – 4 credits**

**Social – 3 ½ credits**

**Math – 3 credits**

**Science – 3 credits**

**Fitness – 1 credit**

**Art – 1 credit**

**Health - ½ credit**

**Money Matters – ½ credit**

**Electives – 6 ½ credits**

---

**Total of 23 credits to graduate**

**Remember ‘elective’ credits can be any credits beyond the required credits in the areas noted above or classes in Elective Course Offerings.**

## **Grade 10 CORE OPTIONS**

You must register for a full credit of English every year. You also need 3 ½ credits of social and 3 full years of math and science but an additional year is recommended for students planning on continuing their education after high school – some colleges require 4 years.

### **English**

(GRHS requirement: 4.0 English Credits to graduate)

---

# LAE-1101 & # LAE-1102 English 10

**or**

# MAA-1011 & # MAA-1012 Algebra II

*Completion of Geometry is required for Algebra II*

### **Science**

(GRHS requirement: 3.0 Science Credits to graduate, 1 credit MUST be in either Chemistry or Physics)

---

# SCB-1101 & # SCB-1102 Biology

A few notes before you make your selections:

Read through the course descriptions in [GRHS Course Catalog](#) and check for the prerequisites and other requirements. GRHS Course Catalog can be found online at [Grand Rapids High School](#) website under the “Academics” tab (<https://grhs.isd318.org/academics>).

Consider your course selections carefully! Counseling is working hard to reduce the number of schedule changes made each semester. We will alter schedules to fill ‘holes’, balance teacher rosters, and to accommodate changes due to serious academic reasons.

**A few notes before you make your requests:**

Student request/placement into a career pathway, allows both students and instructors to track course completion throughout the pathway. Students may also be contacted individually for field trip opportunities, college/program visits, employment opportunities and additional information based on specific Career Pathway Enrollment. Students may register for more than one GRHS Career Pathway. Pathways can always be added or changed by meeting with a GRHS Counselor.

Additional Career Pathway Information can be accessed in the [GRHS Course Catalog](https://grhs.isd318.org/academics), as well as course and pathway completion steps. The GRHS Course Catalog can be found online at [Grand Rapids High School](https://grhs.isd318.org/academics) website under the “Academics” tab (<https://grhs.isd318.org/academics>).

**Remember that ‘elective’ credit can be any credit beyond the required credit or classes in Elective options.**

## Registration - Course Selection Guide

There are 7 hours in the day and two semesters – this means that there are 14 slots to fill with a course number. Full Year Courses take up a slot each semester (and therefore have 2 numbers). Block Courses take up two slots in the same semester.
