

Allen & William Arnold Elementary

Pharr-San Juan-Alamo ISD

Ernesto Dueñas, *Principal*

January 26, 2026

Dear Parents,

We have uploaded copies of the State of Texas School Report Cards for Allen & William Arnold Elementary for the 2023–2024 and 2024–2025 school years. These reports are required by the Texas Legislature and are prepared by the Texas Education Agency (TEA).

The School Report Card provides important information about our campus, including:

- Student performance on the State of Texas Assessments of Academic Readiness (STAAR®)
- College, Career, and Military Readiness
- Student enrollment
- Average class sizes
- Financial expenditures

Please note that due to judicial proceedings, the release of the 2024 School Report Card was significantly delayed.

Much of the information included in the report is required by state law and contains technical language. Definitions for this information can be found in the enclosed “2024 School Report Card Definitions” and “2025 School Report Card Definitions.” Depending on the grade levels served, not all sections may apply to our campus.

State law also requires that School Report Cards include information at the state, district, and campus levels, and, when possible, report data by race/ethnicity and socioeconomic status. The report includes at least two years of results.

The School Report Cards may also be accessed online through the TEA School Report Card website.

In addition, a more comprehensive report for Allen & William, Arnold Elementary, the Texas Academic Performance Report (TAPR), is available upon request through my office or online at the Texas Academic Report Cards website.

Please feel free to contact me if you have any questions regarding this report. Thank you for your continued support of Allen & William Arnold Elementary.

Sincerely,

Ernesto Dueñas, Principal
