

2024-2025 Federal Report Cards 2023-2024 & 2024-2025 State Report Cards

January 23, 2026

Dear Parent or Guardian,

The Texas Education Agency (TEA) has recently released the 2024–2025 Federal Report Card and the 2023–2025 State Report Cards for Horizon Middle School.

Under the federal Every Student Succeeds Act of 2015 (ESSA), these reports are shared annually to provide transparency regarding school performance. You can access the digital versions for our state, district, and campus on our website at: www.clintweb.net/Page/5159.

If you prefer a physical copy or have difficulty accessing the website, hard copies are available upon request at our district or campus main offices.

Prepared by the TEA, this comprehensive report offers data on several key areas, including:

- State accountability ratings and STAAR participation.
- Student achievement and academic growth.
- Graduation rates and post-secondary enrollment.
- Teacher quality and per-pupil expenditures.
- School quality, safety, and civil rights data.

We encourage you to review this information as we continue to work together for your child's success. Please contact our front office if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "RSR", is written over the printed name.

Roxanne S. Ruiz,

Principal

Horizon Middle School
