

Visual Art at MYP

All students in MYP study visual art for 2 hours each week. They are taught in a dedicated art studio with access to many materials. There is a creative club (lunchtime) and an after school club during which students may pursue their creative interests.

ICS London is near a multitude of galleries, buildings and outdoor spaces that provide inspiration for work. While students use these spaces on trips, families are also encouraged to visit independently on the weekend to access the wonderful exhibitions in this city.

MYP1 Year 7

Autumn Term	Spring Term	Summer Term
Portraiture	Natural forms Sculpture, printmaking	

MYP2 Year 8

Autumn Term	Spring Term	Summer Term
