GREETINGS FROM MR. GONZALES

January 2026

The 2nd semester of the 2025-2026 school year has officially started! In just a short time back from the holiday break, I've been reminded of what makes Hahnville High School so special—students who are willing to step into new challenges and turn them into opportunities for growth and success. The Tiger Family has already shown that it is ready to rise to the challenge!

This semester, our theme is **Accept the Challenge**, and I see that mindset in action every day. From tackling more rigorous coursework to pushing yourselves in athletics, the arts, and extracurriculars, we continue to show that challenges are not obstacles—they are opportunities. As Abraham Lincoln once said, "The best way to predict your future is to create it." The futures being built here at HHS are strong, bright, and full of promise. As we continue to honor our proud tradition of Tiger excellence, there is no better way to do so than by striving for even greater success.

For many students, the second semester represents a fresh start. New classes, new teachers, and new experiences offer the chance to reflect, reset, and refocus. Whether last semester brought academic hurdles, social challenges, attendance concerns, or personal struggles, now is the time to move forward with confidence. Accepting the challenge means believing in your ability to grow—and I firmly believe in every Tiger's potential.

One challenge that remains critical is attendance. The truth still holds: *you can't learn if you're not here. Showing up matters. It builds habits, strengthens relationships, and sets the foundation for success both in and beyond the classroom. We are committed to supporting our students, but the first step always begins with being present and engaged. When you accept the challenge of showing up consistently, you are preparing today so you can thrive tomorrow.*

I would also like to take this opportunity to congratulate Coach Richard Abarr, our 2025–2026 HHS Teacher of the Year. Coach Abarr exemplifies what it means to accept the challenge every day—through his dedication to students in his U.S. History and Civics classes, his leadership among colleagues through his role as SEL Champ, and his passion for the coaching football and track. He represents the very best of the Tiger spirit, and we are proud to celebrate his achievements.

As we continue through this spring semester, remember that you are never walking this journey alone. You are part of something special. You are part of the Tiger Family. We are Fierce. Noble. Strong. Together. And this semester, we move forward with purpose as we **Accept the Challenge**.

Counselors' Corner

Attention Seniors and Graduating Juniors! FAFSA IS NOW OPEN!! This is no longer a graduation requirement. We will have a representative at Hahnville on Thursday, February 5 from 2pm-6pm to assist students / parents with the completion of FAFSA. Seniors interested in scholarship opportunities, please be sure to check out the Counselor Google Classroom to find scholarships, TOPS/ FAFSA information, and many more resources. The counselors add new scholarship opportunities on a weekly basis so visit the page often! Scholarship offer letters should be given to Mrs. Angela Dempster in AG1 as soon as possible regardless if you will attend the college that offered the scholarship. This information will be placed in the graduation program. The deadline to submit this information to Mrs. Angela Dempster is April 25, 2026.

Scheduling is well underway for 9th -11th grades. Students will receive their Schedule Verification Form during their SSC on Wednesday, February, 4th . This is your last chance to make changes for next year's course choices. Remember, check your alternates because your schedule is built around required classes so whatever elective fits, that is the one that sticks! To find course options please visit the Course Catalog posted on the HHS website under "Academics". Students have also completing Individual Graduation Plans (IGPs) with their counselor. Please sign and return these forms when they are brought home.

Safe Schools with Coach Boyne

Safety is our top priority here at Hahnville High School. We value the safety of our students and employees, and we will do everything possible to ensure that we protect our students, employees, and visitors. As such, we wanted to remind you of some of our safety initiatives:

- 1: Students, employees, and school visitors must wear ID badges at all times.
- 2: Students are not allowed to have or use their phones during instructional time. It is now a state law. If students are seen with their phones, they will be confiscated.
- 3: Students are not allowed to wear any garments with a hood attached to them; if seen, these garments will be confiscated from students and returned

SSC/SEL Recap

During the month of January students participating on our SEL classes will be discussing topic such a building your dream team and will discuss leading with value. Student participating in our SSC classes will be do academic check - ins.

STUDENT/FACULTY HIGHLIGHTS

Congratulations

Student of the Month -

December

9th - Railee Cortez

10th - Mason Propps

11th - Stevie DeJean

12th - Addison Orgeron

Congratulations to our 2025-2026

Teacher of the year,

Mr. Richard Abarr!

Mental Health Corner

Mental Health Corner "Resetting the Mind"

As we head into the new year, it's a great time to think about "resetting" the mind. The brain is always working to make sense of the world, and it tends to respond most strongly to what we repeat—our thoughts, habits, and self-talk—rather than to what is objectively true. Because the brain is drawn to familiar patterns, it's easy to get stuck on autopilot.

The good news? The brain is capable of change at any stage of life. Growth doesn't require a brand-new life or a complete overhaul—just a willingness to adjust the "program" running in our minds. Small shifts in thinking can lead to healthier habits, greater resilience, and a stronger start to the year ahead. It is not about trying harder, it is about thinking differently!

Dr. Marquita Hill George
Mental Health Professional

Nurse's Note

Nurse Marci Hunter wants to keep you informed about current health concerns!

HHS Library Media Center

The HHS Library provides print and online resources for academic needs and personal enjoyment. It is easy to sign up for a library account by using your PowerSchool username and password. Your personal library account will give you access to e-books, digital audiobooks, and our online catalog. You have the ability to browse and place books on hold. If you haven't done so already, we encourage you to sign up for the HHS Virtual Library in Google Classrooms. If you have any questions, contact Mrs. Kim Lusco at klusco@wearescpps.org or Ms. Tambra Chiasson at Tchiasson@wearescpps.org

We are so excited to welcome you into our newly renovated library! Come and see what's new!

Please continue to respect the integrity of the space by being respectful to us and other students around you.

Student Council

Student Council Officers will attend the Louisiana Student Council Convention in Pineville on 17, 18 and 19.

Keep Students Healthy and in School!

Healthy students are more likely to attend school, are better able to focus and stay engaged, and are more likely to be ready to learn.

Below are strategies that districts, schools and community partners can use to help keep students healthy and avoid unnecessary absences from school.

Nutrition, Sleep and Exercise

- Involve students and families in guiding the schools/district's food policy.
- Offer flexible options and encourage families and students to participate in the school's free breakfast and lunch programs.
- Ensure that foods offered outside of school meal programs meet smart snacks criteria.
- Provide access to clean drinking water throughout the day.
- Incorporate physical education into the curriculum.
- Offer regularly scheduled recess.
- Ensure playground equipment is safe and age appropriate.
- Establish later school start times for middle and high school students so they can get the appropriate amount of sleep.

Hygiene

It takes a team approach to encourage these practices so work to ensure appropriate protocols and resources are in place to reduce the spread of germs and create a healthy and safe learning environment. Share messaging (posters, handouts, etc.) with school/district staff and families that reinforce the importance of:

- Hand washing, particularly before eating and after using the restroom.
 - Dental hygiene and brushing teeth twice a day.
 - Avoiding close contact with individuals who are sick.
 - Not sharing cups, utensils, hair brushes or combs.
- Covering coughs and sneezes with a tissue, or coughing/sneezing into an elbow.

Safety

- Develop a plan to create a safe and supportive learning environment that helps prevent bullying and allows for inclusion and respect.
- Work with appropriate staff to develop a school or district crisis, emergency and disaster plan.
- Train staff to recognize students in need of mental health supports, and create protocols to connect students and families with appropriate resources.
- If students walk to school, help them find a safe route and encourage walking with a friend. Arrange for a walking school bus, and share this handout to help families create backup plans.

Wellness

- Share information about available community resources and remind families to visit their health care provider for:
 - A physical once a year.
 - All recommended immunizations, including flu and COVID-19.
 - Addressing chronic health issues such as asthma, diabetes, etc.
 - Dental checkups twice a year.
- Ensure that systems are in place to collect health information and data and share data as needed. • Support the establishment of school or district health team that regularly assesses school health needs.
- Communicate with families about scheduling non-urgent medical appointments outside of school hours and to return to school if appointments are earlier in the day.
- Determine if families have health and dental insurance. If they don't, connect them with school nurse or social worker.
 - Train appropriate school/district staff to work closely with students with disabilities, their families and health care providers to ensure they receive appropriate support and services.
- Work with the local health department to ensure that protocols are in place to address communicable diseases.
- Develop protocols for students with compromised immune systems or those at high risk for complications from common illnesses. These would enable the school or school nurse to create a plan with the family and the child's health-care provider to keep the student healthy and safe while attending school.
 - Advocate for adequate nursing and behavioral health supports in every school.
 - Invest in improving air quality in school.

Engagement

Students who feel safe and connected to school are more likely to attend every day. This starts with creating a welcoming environment for students and families.

- Support the development of after school activities which can impact a student's overall health and engagement in school.
- Increase supports for children who may be dealing with anxiety or other behavioral health issues. • Using email, handouts, text or on district/school websites communicate clearly and regularly with families about health-related policies including about COVID-19.
- Support development of educational resources for students who need to stay home due to prolonged illness.
 - Keep families informed about their child's attendance and academic progress.

Below are the ACT test dates and registration deadlines for 2025-2026. Register online at ACT.org. Students that are eligible for free or reduced lunch are eligible for 2 vouchers TOTAL to take the ACT. Because all students are receiving free or reduced lunch please see the guidance from ACT on eligibility at <https://www.act.org/content/dam/act/unsecured/documents/FeeWaiver.pdf>. Please see Mrs. Dempster in the Counseling Suite for more information.

ACT Test Dates 2025-2026		
Test Dates	Registration Deadline	Late Registration Deadline
December 13, 2025	November 7, 2025	November 24, 2025
February 14, 2026	January 7, 2026	January 21, 2026
April 11, 2026	March 6, 2026	March 24, 2026

In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, this

Educational Agency holds the following policy:

This is an equal opportunity school and is dedicated to a policy of non-discrimination in employment or training. Qualified students, applicants or employees will not be excluded from any course or activity because of age, race, creed, color, sex, religion, national origin or qualified handicap. All students have equal rights to counseling and training.

Message from SCPPS:

Due to federal regulations, HHS is responsible for notifying you

annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school.

This plan was developed for each school as per the Louisiana Hazard Emergency Response Act (LA HERA). The emergency plan is housed in a binder in the main office of each school and is available for viewing upon request.

Since the plan was developed, many of the hazards have been removed. In a few buildings where hazards still remain, corrective actions are ongoing. All schools meet the health requirements that pertain to these regulations.

If you have any questions concerning this topic, please contact

Keith Barnes, Director of Physical Plant Maintenance, at 985-331-3406, between the hours of 7:30 a.m. and 4:30 p.m.
