Spirit Week - Wednesday, Feb. 11!

Join Girls on the Run!

It's been a cold winter but our eyes are on the spring as we are in the last stages of bringing on teams for our Spring 2026 Girls on the Run season. We have space for 10 more teams and we'd love for you to join us as we introduce a brand NEW curriculum, "Hello, Bold Heart!"

This evidence based curriculum includes lessons where participants will:

- Build their Heart Power, the confidence to boldly share their thoughts, ideas, and feelings
- Learn how to use their voices even when they are nervous or uncertain
- Participate in fun games that get them moving and thought-provoking activities that teach them valuable skills that last

Hello, Bold Heart! supports our program participants in building confidence through the same innovative, evidence-based blend of team discussions, movement-based games, and life skill-building activities. Our updated lessons also teach participants how to share their thoughts, ideas, and feelings, and help others to do the same. Some highlights about our program:

- A sliding scale registration fee for anyone
- Athletic shoes and clothing available to any participant or volunteer coach in need
- Coach stipends to alleviate financial barriers to volunteering (such as transportation costs, childcare, loss of wages)
- Educators can earn 6 continuing education credits for completing their training
