iGCSE Mandarin

Cambridge IGCSE Mandarin Chinese - Foreign Language (0547)

IGCSE Mandarin Chinese (0547)

The IGCSE Mandarin Chinese course develops students' proficiency in listening, speaking, reading and writing, enabling them to use Mandarin accurately and effectively in a range of everyday contexts. Through the study of topics such as family, school, leisure and aspects of Chinese culture, students gain both linguistic competence and cultural understanding.

The course provides a strong foundation for further language study and supports the development of confident, independent language learners.

Students have 3 taught hours per week to study Mandarin. All iGCSE students study a language but there is a choice of French, Spanish and Mandarin (or English as an additional OR second language).
