\*Students will not schedule Dual Enrollment Courses at Nunez Community College through the Scheduling Google Form. Instead, they must complete the Dual Enrollment Application. Grades, standardized test scores, attendance and discipline record are all used to determine eligibility. If accepted into one of the programs, students' schedule will be adjusted accordingly by the Dual Enrollment Coordinator.

\*\*Students must begin a Certificate of Technical Studies, Associate Degree, or Pre-Apprenticeship Program by their junior year.

\*\*\*When scheduling for next school year, students will select eight courses. In addition, they must also choose alternate electives in the event their top choices are not available due to scheduling conflicts or change of course offerings.
